Dangerous Passions

Dangerous Passions:

Dangerous Passions Loure Bussey, 2001-04-01 While sharing a townhouse in Bermuda during the summer Marita Sommers who has vowed never to let her heart rule her life finds herself drawn to mysterious Shemar Dalton a man whose dark secrets plunge them both into a world of betrayal and intrigue Original *Dangerous Passions* Brenda Harlen, 2010-06-01 Private investigator Michael Courtland had promised to watch over Shannon Vaughn the target of a vengeful enemy But the moment Michael saw her he knew protecting her would be more than just duty And when escaping certain death left them stranded on a deserted island he found himself longing to be with her hold her make love to her Shannon couldn't deny her attraction to Michael but could she trust him Though he'd saved her life she could tell he had secrets secrets that could tear them apart Yet as danger closed in on them she wondered what she would do without him and she realized that wasn't a thought she wanted to entertain Aquinas's Eschatological Ethics and the Virtue of Temperance Matthew Levering, 2019-11-15 Matthew Levering offers a biblical and Thomistic portrait of the cardinal virtue of temperance and its allied virtues in dialogue with an ecumenical range of theologians and scholars In Aquinas's Eschatological Ethics and the Virtue of Temperance Levering argues that Catholic ethics make sense only in light of the biblical worldview that Jesus has inaugurated the kingdom of God by pouring out his spirit Jesus has made it possible for us to know and obey God's law for human flourishing as individuals and communities He has reoriented our lives toward the goal of beatific communion with him in charity which affects the exercise of the moral virtues that pertain to human flourishing Without the context of the inaugurated kingdom Catholic ethics as traditionally conceived will seem like an effort to find a middle ground between legalistic rigorism and relativistic laxism which is especially the case with the virtue of temperance the focus of Levering's book After an opening chapter on the eschatological biblical character of Catholic ethics the ensuing chapters engage Aquinas's theology of temperance in the Summa theologiae which identifies and examines a number of virtues associated with temperance Levering demonstrates that the theology of temperance is profoundly biblical and that Aquinas's theology of temperance relies for its intelligibility upon Christ's inauguration of the kingdom of God as the graced fulfillment of our created nature The book develops new vistas for scholars and students interested in moral theology **The Sumerian Curse** Leigh Anderson, Was it a tragic accident or something more sinister After an accident in Persia left Evelyn Crowley and orphan she was sent back to London and polite society Ten years later while volunteering at the British Museum a strange missive arrives requesting Evelyn's assistance with translating an ancient Sumerian book owned by the elderly Lord Craven Evelyn's supervisor at the museum warns her not to take the job but she can't refuse She packs what she can and climbs into Lord Craven's carriage bound for Carnarvon Castle Upon her arrival however she learns that it was not the elderly Lord Craven who requested her for the job but his son the handsome and dashing Alister Shaw who wants Evelyn to translate the book in his father's honor Even though she knows she should refuse for the sake of her reputation she cannot resist the

chance to finally earn respect for her translation skills Even if the only character she can read in the book initially is a single word evil Will Evelyn decipher the book and learn its terrible secret before a past she longed to forget catches up with her Or will she fall into disrepute when she can no longer resist her attraction to Alister Shaw
