Daughter Of Grace:

Daughters of Grace Trudy J. Morgan-Cole, 2008 They were just ordinary women Their lives crept along moment by moment the mundane mixed with the exceptional Of course the mundane demanded most of their time eating sleeping and working tends to fill up the years Yet bits and pieces of their lives were chronicled in the worlds most enduring Book What made them so unique so special They were like you They laughed and cried struggled and triumphed they were talented and they were inadequate And no matter the circumstances God had a plan for them every one of them was valuable in His eyes Trudy J Morgan Cole draws back the dusty curtains of time and offers an intimate glimpse into the souls of these women whom the world has never forgotten but never really knew And who knows One of their stories might be your story
