**A Daughter of the Snows (the Annotated Book)** Jack London,2021-08-12 about race than this first novel by Jack London Set in northern Canada during the gold rush on the Klondike it s also a mixed bag of yarns about miners and adventurers on the north frontier The daughter of the snows title is Frona Welse a spirited and fiercely independent young woman whose main grievance is that she wasn t born male Being a woman she has to settle for living vicariously through the lives of adventurous men There s also the nuisance of amorous advances by men who don t live up to her ideals The novel begins as Frona steps off the boat at Dyea Alaska where she grew up at a trading post A young woman of 20 she has been away for ten years getting an education in the States Now returned she is hardly changed from the free spirited motherless child who was once friends with the men who trapped and prospected in the Canadian interior Chilkoot Pass 1898 With the gold rush in full swing she crosses the Chilkoot Pass with thousands of others and heads for Dawson City in the Yukon There her father Jacob Welse seems to own and run every enterprise in the territory As autumn darkens into sub arctic winter there are new arrivals including Corliss a tenderfoot mining engineer and Gregory St Vincent a journalist and world traveler There s a lot of talk and little action however until the last chapters when miners and prospectors head up river to wait for the spring thaw As the river ice is breaking up Frona and the others discover a man in some distress on the other side of the raging torrent She and two of the men paddle a canoe across to attempt a rescue Braving the surging waters and dodging ice floes they bring him back Almost home free they are caught in the path of a massive ice jam that breaks loose flinging them ashore and crushing

one of them to death On the heels of that narrow escape Frona discovers a miners court in session They have been called together to hear evidence against St Vincent who has been falsely accused of a double murder Acting as his attorney she argues persuasively for acquittal but the jury is set on seeing him hang Stricken by guilt he finally admits to watching the killing of the victims without lifting a finger to prevent either death When the killer an avenging Indian materializes at the last moment to confirm St Vincent s story he is saved from execution Corliss and Frona Romance Frona is a hero worshiper and would only be happy with a man like her larger than life father St Vincent first clicks with her because he has been an intrepid adventurer who has explored remote regions of the world finding life and strife almost everywhere She takes to him for his healthful optimistic spirit Expecting love to come to her in a great white flash she mistakes a display of the aurora borealis for a sign and agrees to marry him But St Vincent wins her utter contempt when he admits to doing nothing to prevent the murders Having accepted food and lodging from the victims he was bound by the code of the North to help defend them Meanwhile Corliss slowly shows that he s equal to the North He demonstrates his grit on the ice strewn and turbulent river by bravely risking his life to go to the aid of a complete stranger Frona has turned him down once saying she only wants him as a friend We aren t told at the end but maybe he has a chance to win her heart again

**A Daughter of the Snows** Jack London, 2020-05-22 All ready Miss Welse though I m sorry we can t spare one of the steamer s boats Frona Welse arose with alacrity and came to the first officer s side We re so busy he explained and gold rushers are such perishable freight at least I understand she interrupted and I too am behaving as though I were perishable And I am sorry for the trouble I am giving you but but She turned quickly and pointed to the shore Do you see that big log house Between the clump of pines and the river I was born there Guess I d be in a hurry myself he muttered sympathetically as he piloted her along the crowded deck Everybody was in everybody else s way nor was there one who failed to proclaim it at the top of his lungs A thousand gold seekers were clamoring for the immediate landing of their outfits Each hatchway gaped wide open and from the lower depths the shrieking donkey engines were hurrying the misassorted outfits skyward On either side of the steamer rows of scows received the flying cargo and on each of these scows a sweating mob of men charged the descending slings and heaved bales and boxes about in frantic search Men waved shipping receipts and shouted over the steamer rails to them Sometimes two and three identified the same article and war arose The two circle and the circle and dot brands caused endless jangling while every whipsaw discovered a dozen claimants
