*DAVID, THE MAN AFTER GOD'S OWN HEART* GODSWORD GODSWILL ONU,2015-03-11 Speaking to King Saul Prophet Samuel said You have done foolishly You have not kept the Commandment of the Lord your God which He commanded you For now the Lord would have established your kingdom over Israel forever But now your kingdom shall not continue The Lord has sought for Himself a man after His Own Heart and the Lord has commanded him to be commander over His people because you have not kept what the Lord commanded you 1 Sam 13 13 14 You are going to read and study the life and ministry of David the man after God s Own Heart in this book **A Man After God's Own Heart** R. T. Kendall,2014-03-20 God s relationship with King David God s relationship with YOU What it means to have a heart like God s **David The Great** Mark Rutland,2018-05-01 KING DAVID was a complicated conflicted man of flesh But too often he is viewed as an Americanized shepherd boy on a Sunday school felt board or a New Testament saint alongside the Virgin Mary Not only does this neglect one of the Bible s most complex stories of sin and redemption it also bypasses the gritty life lessons inherent in the amazing true story of David Mark Rutland shreds the felt board character breaks down the sculpted marble statue and unearths the real David of the Bible Both noble and wretched neither a saint nor a monster at times victorious and other times a failure David was through it all a man after God s own heart **David, After God's Own Heart** H. Edwin Young,1984 **David** Robbie Castleman,2012-10-10 Know God as David Knew Him David impetuous sensitive bold poetic compassionate utterly human What can we learn from this young warrior king of long ago And how could God call David a man after his own heart even though he was a man of blood and an adulterer Though David sinned greatly he also loved greatly By observing and learning from David s character and action we too can become God s kindred spirits men and women after God s own heart 12 SESSIONS FOR INDIVIDUALS OR GROUPS Fisherman Bible Studyguides include Penetrating questions that generate discussion Flexible format for group or individual needs Helpful leader s notes Emphasis on daily application of Bible truth **David, "a Man After God's Own Heart"** Charles R. Swindoll,1981 David Danny Jack,2024-11-30 The study of David is a wonderful study It reminds us that God can take nobodies and use them for His honor and glory Even in his early life nobody saw any potential or believed David would be used greatly Others saw only a shepherd boy God saw a king David was the greatest king that Israel ever had David enjoyed many wonderful blessings from God throughout his life The greatest of all blessings is that David became known as a man after God s own heart This is not something that David or another person said of himself but this is the testimony of God What led to this incredible distinction Join us in this study as we examine this truth David was not perfect in fact he was far from it He failed and failed big but he kept short accounts with God He sinned but he quickly confessed and manifested genuine heart repentance David has much to teach us about obedience faith and worship David J. Vernon McGee,2004-08-18 The Bible calls David a man after God s own heart But what does that really mean and how does that apply to us today With his usual warmth clarity and simplicity

Dr McGee takes a look at the life of David helping readers move beyond the exciting action stories and into the heart of what David's experiences have to teach us. Dr McGee said: Perhaps the most familiar Bible story to every boy and girl who has attended Sunday School is that of David and Goliath. It is a thrilling action story. But the greater thrill is the splendid spiritual truths that are applicable to our present day lives as believers.

**After God's Own Heart: The Gospel According to David** Mark J. Boda, 2007  
**David** Gerrie Uys, 2017-05-05 I asked the Lord what men/women seek and lack in their lives today. The Lord answered and said: Their identity in Christ. I asked the Lord to show me a man and reveal the identity of such a man in Christ. The Lord answered and said: I will show you the identity of a man after my own heart. What did I know about David? I knew that he was a shepherd boy who slew a giant. I mean, who would not be fascinated by a story of a boy that slays giants? As I progressed through the journey of studying the Bible about the life of David, I continuously wondered why David was called a man after God's own heart. Why did God not refer to Abraham, Isaac, Jacob, or Moses as men after his own heart? The story of David portrays a life of an ordinary shepherd boy that became the king of Israel. His life, however, was ridden with sin, and yet God called him a man after his own heart. It was only later that the Spirit revealed to me that it was because of David's fierce, intimate desire to have a relationship with the living God that he was characterized as a man after his own heart. Acts 13:22: God revealed the character of David through this story that runs parallel with the personal relationship that Jesus longs for with each one of us: a relationship that cannot be tainted by our sins because of the blood of Jesus Christ. You are all called for a time like this to be a man/woman after God's own heart, just as he had ordained it so that you can have fellowship and an intimate relationship with Jesus Christ. You are the only one that can find your true identity through your relationship with Christ. A shepherd boy became king. What are you waiting for? The blood of Jesus works everlasting into the past, future, and present. May the story of David inspire you to a greater understanding of the heart of God the Father through his son, Jesus Christ. You have been set free. You are a man/woman after God's own heart because of Jesus. John 8:36 states: When the Son sets you free, you shall be free indeed.

**Lessons from David** Andrew Wommack, 2014-05-01 Probably one of the most well-known characters in the Bible is David. He grew up a shepherd boy and defeated a giant named Goliath and then went on to be King of Israel. While King David made some serious mistakes, however, David didn't try to place the blame on other people. He took responsibility and shouldered the blame himself. Sandy K. Cook, 2020-05-05 This is a combined journal and Bible study workbook format ideal for Christians interested in walking deeper with God and for Bible Study groups for men or women. The study covers 1 Samuel 16 through 2 Samuel 23, the Psalms King David wrote, and portions of 1 Kings and 1 Chronicles. As a Journal Bible study, the pages for each day's readings have journaling space. As a workbook, there are knowledge, reflection, and life application questions. As a reflective and life application based study, the goal is to pray, study, and reflect on the life of David. Take this amazing journey through David's life if you'd LOVE to be a person after God's own heart, just like God says of King David. This study is great even when

you know you are far from perfect and you wonder how you can show God you really do desire His heart The great news for you is that King David was NOT a perfect man He was a schemer adulterer and even had the husband of Bathsheba killed Even in our sinful state we can become people after God s own Heart We can begin by getting to know God and by casting Satan s influence out of our lives through our heart connection with God You CAN become a person after God s own heart just like King David Journey through David s life read the Psalms David wrote and see what made David a man after God s own heart When you pour your heart into this chronological King David Bible study including the study of the Psalms as they relate to David s life events you will see what it is like to be a person after God s own heart Read and meditate on his Psalms And pray to experience a heart change in yourself and toward God Truly YOU can become a person after God s own heart too

**A Man after God's Own Heart** Brad Stewart,2015-03-18 David was a man after God s own heart What does it mean to be someone after God s own heart David King psalmist and shepherd gives us a picture with his own life In many ways he is an extraordinary role model a man who was fully human but exceeded expectations and pointed others towards God While the other side of David is most ordinary showing a life filled with destruction chaos tragedy and his personal struggle with sin How then did David become the national hero of God s chosen people Why is he the one character in the Bible described as a man after God s own heart David s life offers hope to all of us It shows that God can do extraordinary things through ordinary men and women And David offers an insightful perspective on what it means to be truly a man to become like David men after God s own heart In this study David will delight and disappoint you At times you will desire to be just like him while at others you will want to turn and run The Life of David is one of the most colorful examples of manhood in all of Scripture You will be introduced to select key characteristics of David s life but unlike David we have time to make our lives right before God and to lovingly lead our homes This interactive study features eight weeks of individual study materials with a leader s guide and suggested teaching plans at the back of the book *Paul and David; Or, the Relations Between Personal Character and the Apostolic and Prophetic Officers. [By A. Clissold.]* Saint Paul (the Apostle),1873 *A Man After God's Own Heart* Brad Stewart,2017-02-20 A Man After God s Own Heart is a devotional that takes you through the life of king David in chronological order including all of the psalms he is credited as being the author There are fifty two weeks and each week has a challenge from God s word for each Monday through Friday Each daily challenge lists the Scripture text a summary of the story followed by a practice section for personal application ending with a short prayer If you are a man who wants to know what it means to be a man after God s heart then this book is for you [The Preacher's Tool: Ready-Made Sermons for Preachers](#) Dr. Venkat Potana,2026-01-03 The Preacher s Tool Ready Made Sermons for Preachers by Dr Venkat Potana is a significant contribution to the field of homiletics providing a comprehensive resource for pastors teachers and students of the Word This book is not just a collection of sermons it is a guide to expository preaching that emphasizes the necessity of biblical integrity and theological depth in proclaiming God s Word In an era where many sermons prioritize

emotional appeal over doctrinal soundness this book serves as a reminder that true preaching is rooted in Scripture drawing directly from the text and applying it with precision and clarity One of the book s greatest strengths is its commitment to biblical exposition Each sermon is carefully crafted engaging deeply with the historical and theological context of the passages while maintaining relevance for contemporary audiences Rather than offering superficial messages Dr Potana provides in depth insights that challenge preachers to think critically and apply the Word of God faithfully The sermons cover a wide range of topics addressing both foundational Christian doctrines and practical aspects of Christian living making this book a versatile tool for ministers in various settings Another key feature of this book is its focus on the transformative power of preaching Dr Potana does not merely present sermons as static texts he encourages preachers to use them as a foundation for deeper study urging them to immerse themselves in Scripture and seek the guidance of the Holy Spirit The goal is not to rely on pre written messages but to develop a strong personal engagement with the biblical text This book serves as both an educational tool and an inspirational resource equipping preachers to communicate God s truth effectively The Preacher s Tool is also practical in its approach offering structured sermons that can be adapted to various congregational needs Whether a minister is preparing for Sunday services midweek teachings or evangelistic outreach the book provides a solid framework for sermon development Additionally it highlights the urgency of preaching in today s world where biblical literacy is declining and the church faces increasing cultural and theological challenges Ultimately this book is an invitation to preachers to return to the heart of their calling to faithfully proclaim the gospel with boldness and clarity It reminds us that preaching is not about personal opinions or popular trends but about communicating the unchanging truth of God s Word Dr Potana s work stands as a valuable asset for anyone committed to the ministry of the Word providing both guidance and encouragement for those entrusted with the sacred task of preaching
