personality is the best bequest of time The ministry of Swing was in every way unique and worthy of record though one is safe in saying that it never once crossed his mind that any one would in the future sit down to tell its story He was as all who knew him can testify at once the most lovable and least aggressive of men For himself he made no claim asked for no reward and seemed to cherish no ambition His theory of life was that what gift soever a man had should be used for his fellow man and for no other end and that theory he carried out About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
