Day Camp Disaster:

The Day Camp Disaster Carolyn Keene, 2012-10-16 It's summer vacation and Nancy George and Bess have signed up for a two week long nature day camp on the outskirts of River Heights. The girls can't wait to get out and enjoy nature and are thrilled to be spending their days making butterfly feeders, planting sunflowers and taking hikes. But things at Camp Northwoods start going haywire right from the start. The projects the campers work so hard on during the day keep getting ruined at night. Nancy is suspicious these don't look like natural disasters. Just who is wrecking all of the campers' hard work? And can camp continue with a culprit on the loose?

The Day Camp Disaster Carolyn Keene, 2003 While attending day camp eight year old Nancy Drew along with her friends Bess and George tries to discover who keeps destroying the campers' nature and art projects.

Day Camp Disaster Carolyn Keene, 2004 Eight year old Nancy Drew is at a nature day camp. The projects she and Bess work on so hard during the day keep getting ruined at night. Can camp continue with a culprit on the loose? Full color.

Black & White Stephen Dorsey, 2025-09-19 The anticipated debut by a biracial community leader and citizen activist exploring his lived experience of systemic racism in North America and the paths forward. My race duality has given me a unique perspective on both the Black and white experience in Canada. What became most evident to me most universal was an important need for building bridges of understanding between Black and white Canadians. A need to inform and educate so that hopefully in due time we can achieve real change. As a bilingual biracial man straddling Black and white English and French Canada, Stephen Dorsey lives in a world of dualities. In his deeply personal and insightful debut, he offers readers intimate and unfiltered access to his lived experience of anti-Black racism around the world, including Canada, the United States, and Europe, focusing on his formative years growing up in the 1970s in Montreal as a Black child in a white family headed by a racist stepfather and details his personal awakening inspired by the Black Lives Matter movement. A powerful blend of autobiography and social analysis.

Black White is an intimate excavation of systemic racism in North America from our health care and education systems to policing and law to a deep analysis of the uniquely intersectional discrimination faced by minorities in Dorsey's home province of Quebec. With an inclusive and accessible approach aimed at community connection and education, Dorsey delves deep into Canada's history of racial discrimination and by contrasting it with that of our American neighbours, debunks our nation's mythological narrative, providing necessary context on white privilege which he calls white advantage and offers concrete pathways to lasting societal change. Holding readers gently to account, Black White is the book for the ally in all of us.
