The Damascus Road Jay Parini, 2019-04-02 From the author of the international bestseller *The Last Station* a superb historical novel of the Apostle Paul whose tireless and epic preaching of the message of Jesus brought Christianity into existence and changed human history forever In the years after Christ s crucifixion Paul of Tarsus a prosperous tentmaker and Jewish scholar took it upon himself to persecute the small groups of his followers that sprung up But on the road to Damascus he had some sort of blinding vision a profound conversion experience that transformed Paul into the most effective and influential messenger Christianity has ever had In *The Damascus Road* novelist Jay Parini brings this fascinating and ever controversial figure to full human life capturing his visionary passions and vast contradictions In relating Paul s epic journeys both geographical and spiritual he unfolds a vivid panorama of the ancient world on the verge of epochal change And in the alternating voice of the Gospel writer Luke Paul s travel companion scribe and ghostwriter a cooler perspective on his actions and beliefs emerges ironic but still filled with wonder at Paul s unshakable commitment to the Christ and his divinity

Damascus Road Experience Jeffery Sakas, 2022-04-11 Each of us is destined to have a Damascus Road experience at some point in our lives Perhaps none of us will have as dramatic an experience as the apostle Paul detailed in the 9th chapter of the book of Acts in the New Testament A 180 degree change in direction was required in order to cause Paul to change from one of the persecutors of Christians to become perhaps the greatest spokesman for Christianity and one of the contributors to the proliferation of what we now recognize as the western civilization

Damascus Road: a Journey to the Cross Acacia Slaton, 2015-08-13 In

Damascus Road Acacia Slaton takes the reader on a dark road that encompasses her journey of faith during the most difficult and heart wrenching times of her life This book is filled with divine insight and the supernatural experiences of the author Be prepared to have your eyes open and spirit awakened Obscurity and confusion will no longer be your portion Receive a personal word that will strengthen your resolve to choose faith persevere and never give up Let light arise in your present obscurity and your darkness becomes as the noon day as your only aim becomes to glorify Him amid the dark and incomprehensible events of His providence Hardships and trouble are a part of the human experience You are in one of three areas right now you ve just got out of trouble or you re in it right now or you re headed into it Damascus Road will answer deep and meaningful questions in such areas as What caused this life storm to happen What does God want me to learn from this difficulty I m facing How does God want me to act in this particular situation Damascus Road will change the way you view trials and hardships in your life It will propel the believer to seek Him rather than turn away from Him trust Him rather than doubt Him remain faithful rather than become unfaithful honor Him rather than question His sovereignty and last but not least come into spiritual maturity rather than remain in a place of emptiness and disbelief

A Literary-rhetorical Study of the Damascus Road Accounts in Acts David Blake Shipp,2003

Divine Initiative and the Christology of the Damascus Road Encounter Timothy W. R. Churchill,2010-04-28 The Damascus road encounter between Jesus and Paul is foundational to understanding the early development of Christology and indeed Christianity since it is the first appearance of the post ascension Jesus contained in the earliest Christian literature This study examines the encounter as it is described in Paul s epistles and the book of Acts Since Paul interprets his experience within the Jewish tradition this study begins with a survey of epiphany texts in the Old Testament and other ancient Jewish literature This reveals two new categories for appearances of God angels and other heavenly beings Divine Initiative and Divine Response This survey also finds two distinct patterns of characterization for God and other heavenly beings These findings are then applied to Paul s accounts of his Damascus road encounter Paul depicts the encounter as a Divine Initiative epiphany This conclusion is significant since it argues against the current view that the encounter was a merkabah vision Paul s Christology in the Damascus road encounter is also significant since Jesus is characterized as divine Such divine characterization is not typical for heavenly beings in first century CE epiphany texts Thus a high Pauline Christology appears to be present at a very early point The three accounts of the Damascus road encounter in Acts also fit the pattern of Divine Initiative not merkabah and exhibit the high Christology of Paul s accounts In fact the three accounts in Acts are shown to form an intentionally increasing sequence culminating in the revelation that Paul was called to be an apostle by Jesus himself on the Damascus road

Damascus Faron Richard,2025-07 For the Apostle Paul an encounter on the road to Damascus was the beginning of his journey to righteousness The lessons he learned concerning righteousness have taught Christians down through the generations and those lessons are critical for every believer According to scripture as we approach the time of judgement for the world evil

men will grow worse and worse while those who choose to follow Christ will find it more challenging to keep their faith In these pages you will find the true power and meaning of grace and how God intended for it to impact our lives The Apostle Paul lived one of the most challenging lives recorded in the scriptures yet the grace of God kept him and saw him through every trial and every temptation that he faced We need that grace

My Damascus Road Experience Dorothy L. Thomas-Guyton,2022-10-24 As a first time author the author Dorothy L Thomas Guyton chose to write this book as a testament to the will and fortitude of every Christian believer whether they are aware of it or not In 1 John 4 4 it says Not because of our own strength but because of the greater one that lives inside of us The intent is to encourage those individuals who have felt disillusioned and or disappointed by others who aligned themselves with the faith but not necessarily of the faith For those who were hurt confused betrayed and or possibly abandoned or had drifted from their Christian beliefs Another reason for the author writing this book was to challenge the thinking and make known to the readers who don t believe in the spirit realm by sharing some of the experiences she has had albeit they were not very pleasant but real Just because you can t see something doesn t mean that it does not exist i e wind Visibly one can t see what is called wind but one knows from experience that it does exist and the same is true for the spirit realm Upon reading this book the author s hope is for the reader to have an appreciation and respect for the training process each individual goes through in their journey of faith The author also hopes the book will be an inspiration for newcomers and for those who may have become weary Every path is not the same Stay the course and enjoy the journey You are an overcomer
