[Using the Creative Arts for Transformational Learning](#) Tessa Mendel, 2015-04-22 Weaving together theory personal experience and a deep knowledge of the power of Art to transform individuals and communities Mendel has written a comprehensive and accessible book that fills the meaning and how to gap skirted by much of the current discourse around arts for social engagement and community arts Read this book Its pages will inspire and guide artists adult educators and activists to create meaningful arts based opportunities for personal and social change Terri Whetstone Artist and Executive Director 4Cs Foundation Nova Scotia Using the Creative Arts for Transformational Learning is a welcome new resource for all of us working in community engaged arts It expresses the difficulties and desires concerning the combination of personal and social political creative expression with a refreshing mix of subtle thought personal experience and hands on advice Tessa Mendel responds to matters at the heart of our work boldly asking a question that often gets side stepped how exactly does art making cause change In responding to this question she succeeds in the delicate task of offering a coherent analysis and approach that illuminates theory and assists practice without being prescriptive I know that I will be referring to citing and recommending this book for years to come and I m proud that Jumblies is able to help publish and promote it Ruth Howard Artistic Director Jumblies Theatre Toronto Part memoir part work book part theory part exercise guide this is a must read and must use book for any arts practitioner interested in personal and social change As a visual arts university instructor as an individual practicing visual artist and as a community arts facilitator I will be guided by the principles and deepening learning I found in this book Rose Adams Artist and Educator Foundation Faculty NSCAD University

**Soft Is Fast** Meredith Morse, 2016-02-05 An innovative analysis of Simone Forti s interdisciplinary art viewing her influential 1960s dance constructions as negotiating the aesthetic strategies of John Cage and Anna Halprin Simone Forti s art developed within the overlapping circles of New York City s advanced visual art dance and music of the early 1960s Her dance constructions and related works of the 1960s were important for both visual art and dance of the era Artists Robert Morris and Yvonne Rainer have both acknowledged her influence Forti seems to have kept one foot inside visual art s frames of meaning and the other outside them In *Soft Is Fast* Meredith Morse adopts a new way to understand Forti s work based in art historical analysis but drawing upon dance history and cultural studies and the history of American social thought Morse argues that Forti introduced a form of direct encounter that departed radically from the spectatorship proposed by Minimalism and prefigured the participatory art of recent decades Morse shows that Forti s work negotiated John Cage s ideas of sound score and

theater through the unique approach to movement essentially improvisational and grounded in anatomical exploration that she learned from performer and teacher Ann later Anna Halprin Attentive to Robert Whitman s and La Monte Young s responses to Cage Forti reshaped Cage s concepts into models that could accommodate Halprin s charged spaces and imagined interpenetrative understanding of other bodies Morse considers Forti s use of sound and her affective use of materials as central to her work examines Forti s text pieces little discussed in art historical literature analyzes Huddle considered one of Forti s signature works and explicates Forti s later improvisational practice Forti has been relatively overlooked by art historians perhaps because of her work s central concern with modes of feeling and embodiment unlike other art of the 1960s which was characterized by strategies of depersonalization and affectlessness Soft Is Fast corrects this critical oversight
