Falola,2022-01-13 Fela Anikulapo Kuti was the Afrobeat music maestro whose life and time provide the lens through which we can outline the postcolonial trajectory of the Nigerian state as well as the dynamics of most other African states Through the Afrobeat music Fela did not only challenge consecutive governments in Nigeria but his rebellious Afrobeat lyrics facilitate a philosophical subtext that enriches the more intellectual Afrocentric discourses Afrobeat and the philosophy of blackism that Fela enunciated place him right beside Malcolm X Kwame Nkrumah Marcus Garvey and all the others who champion a black and African mode of being in the world This book traces the emergence of Fela on the music scene the cultural and political backgrounds that made Afrobeat possible and the philosophical elements that not only contributed to the formation of Fela s blackism but what constitutes Fela s philosophical sensibility too Gaskell's Compendium of Forms, Educational, Social, Legal and Commercial, Embracing a Complete Self-teaching Course in Penmanship and Bookkeeping, and Aid to English Composition ... A Lady's Scandalous Secret Bethany M. Sefchick,2020-07-01 Terrified of men from a young age Lady Tabitha Maxwell has hidden in the shadows nearly all of her life Tabby has since grown beyond that fear but she still prefers the safety the darkness offers especially since she has no wish to do as her father commands and marry her reprobate cousin Her anonymity has also allowed her to cultivate a very successful and extremely secret career as the notorious gossip columnist Lady A Lord Joshua Bradford the second son of the Marquess of Nye is in something of a bind A former navy man Josh has been summoned home after his wastrel brother Giles perishes in a duel leaving Josh as the heir Now Josh is in need of a wife quickly since it is quite possible Giles already sired an heir with an unsuitable woman The task of finding a bride however would be a good deal easier if Josh could convince Lady A to cease writing about him in her infernal column One night Josh discovers Tabby s secret and threatens to expose her If he reveals the truth about Lady A he can stop the rumors and finally find a proper wife However doing so will cost Tabby everything and leave her an outcast something he isn t certain he desires Does Josh remain silent about what he knows reveal the truth or can he make a deal with the notoriously skittish Tabby and force her to find him a suitable bride so that they can both have what they most desire This 131 500 word novel is written in the modern Regency romance style for a slightly hotter and sexier read It may not be appropriate for younger audiences *Games and Songs of American Children* William Wells

Struggle from an Intersectional Perspective offers an important and timely intervention. The consistent attention to AfroLatinas agency across all the chapters is empowering and attentive to the difficult circumstances of asserting that agency and to the tremendous breadth of what agency can look like. The authors argue for the analytical power of the concept of Intersectionality while considering the hegemonic pressures on AfroLatinidad and the essentializing moves that an intersectional approach enables evading, overthrowing and resisting systems of power. Through the study of multiple cultural expressions of Blackness such as photography, colonial inquisition records, dance, music, fiction, non-fiction, poetic memoir and religious expression and throughout different regions of the Americas, the chapter contributors of this book consider the relationship that social and historical processes such as sovereignty and colonialism have on narrative and cultural production. Rosita Scerbo, Concetta Bondi and the contributors acknowledge that racial and gender equity cannot exist without Intersectionality and the inclusion of activist voices broadens this volume's reach and links theory to praxis.

Arrest the Music! Tejumola Olaniyan, 2004-10-29. Olaniyan has given us a profound and beautifully integrated book which culminates in a persuasive interpretation of the relationship between Fela's apparently incompatible presentational selves. The book's accessible and evocative prose is in itself a kind of homage to Fela's continual ability to seduce and astonish. This is such an attractive book you feel like ransacking your collection for Fela tapes. Karin Barber, an indispensable companion to Fela's music and a rich source of information for studies in modern African popular music. Akin Euba, *Arrest the Music* is a lively musical study of Fela Anikulapo Kuti, one of Africa's most recognizable popular and controversial musicians. The flamboyant originator of the Afrobeat sound and self-proclaimed voice of the voiceless, Fela used music, sharp-tongued lyrics and derisive humor to challenge the shortcomings of Nigerian and postcolonial African states. Looking at the social context, instrumentation, lyrics, visual art, people and organizations through which Fela produced his music, Tejumola Olaniyan offers a wider, more suggestive perspective on Fela and his impact on listeners in all parts of the world. Placing Fela front and center, Olaniyan underscores important social issues such as authenticity, racial and cultural identity, the relationship of popular culture to radical politics and the meaning of postcolonialism, nationalism and globalism in contemporary Africa. Readers interested in music, culture, society and politics, whether or not they know Fela and his music, will find this work invaluable for understanding the career of an African superstar and the politics of popular culture in contemporary Africa.
