Dancing in the Dark David Donnell, 2014-08-26 An eclectic collection of poetry and fiction Dancing in the Dark tackles themes of music culture philosophy love literature and beauty In a series of pieces that are deeply personal though not autobiographical Donnell evokes both high and low culture in one moment recognizing the impossibility of desire but acknowledging his work's connection to The Boss Bruce Springsteen in another He evokes music and the objects of everyday life with clarity and grace

souls a collection of dark poetry Scott Swenson, 2015-09-05 This is a collection of poems and lyrics inspired by characters and situations in The Vault of Souls Tampa's premier performance art experience with a dark and sinister twist The residents of The Vault of Souls are paranormal personages from a time gone by Many of them have been trapped since the early 1920's This book gives guests who experienced this one of a kind live performance a deeper understanding of the interactive characters But don't worry this book is just as entertaining and disturbing for those who didn't get the chance to participate in the live performances Scott Swenson is known for his whimsically twisted approach to poetry One critic of his last book Dreaming in Shades of Fear commented that Swenson's style is a twisted mix of Edgar Allan Poe and Dr Seuss and this book continues to refine this style

The Chinese Dark Poet: Huang Xiang and His Colorful World Zhengming Fu (Sweden), Huang Xiang the protagonist of this book was born on 26th December 1941 in Guidong county Hunan province of central China. After the Communists came to power in 1949 he was imprisoned six times and severely persecuted for his free spirited writing and his campaigns for human rights. For more than thirty years this self educated poet and writer wrote secretly against the bondage of totalitarian ideology to safe guard the freedom of speech. According to the author of the book Huang is a great dark poet who has expressed the painful memories, fears and struggles that haunted his life creating wonderful poetic beauty in the darkness. His poetic creation is a miracle in the history of Chinese contemporary literature. We may say that Huang's identity as an unknown dark poet is conditioned by his personal emotional and tragic experiences of struggles while facing historical events such as the Cultural Revolution from 1966 to 1976, the April 5th Movement in 1976, the Democracy Wall Movement in 1978 and the Pro Democracy Movement in 1989 in China.

Dance in the Dark Shirley Siaton, 2023-02-28. Hot on the heels of her debut book *Black Cat* and other poems acclaimed author Shirley Siaton Parabia invites the reader to dance with her to the myriad rhythms of life in the transcendental hours of darkness in her second book *Dance in the Dark*. Featuring verses on tribulation, emergence and redemption, this poetry collection came into being after one too many jaunts and musings in the dead of night. Experience a distinctive unfiltered view through the eyes of a woman raised and reared in the unforgiving cities of the Philippines as she journeys through a world of greed, poverty, crime and despair with determination and hope. Scathed, imperfect and honest to the core, *Dance in the Dark* is a celebration of a woman's infallible heart and the indomitable Filipino spirit.
