*Dancing with the Lion: Becoming* Jeanne Reames, 2019-07-01 Two boys one heroic bond and the molding of Greece's greatest son Before he became known as Alexander the Great he was Alexandros the teenage son of the king of Makedon Rather than living a life of luxury as prince he has to be better and learn faster than his peers tackling problems without any help One such problem involves his increasingly complicated feelings for his new companion Hephaistion When Alexandros and Hephaistion go to study under the philosopher Aristoteles their evolving relationship becomes even harder to navigate Strength competition and status define one's fate in their world a world that seems to have little room for the tenderness growing between them Alexandros is expected to command not to crave the warmth of friendship with an equal In a kingdom where his shrewd mother and sister are deemed inferior for their sex and his love for Hephaistion could be seen as submission to an older boy Alexandros longs to be a human being when everyone but Hephaistion just wants him to be a king See this title's page on RiptidePublishing.com for content warnings [Dancing with the Lion: The Complete Collection](#)

Jeanne Reames, 2022-05-12 Before he became Alexander the Great he was Alexandros teenage son of the king of Makedon But rather than enjoying a life of luxury as prince he has to excel his peers in all ways be faster smarter stronger and more courageous tackling problems without any help Competition and status define one's fate in his world where loyalty is rare and precious Alexandros finds such loyalty in Hephaistion one of the boys assigned to accompany him for lessons under Aristoteles With Hephaistion's fidelity and friendship he learns to trust himself and become a leader of men Yet he still longs to be loved for himself Does Hephaistion love the prince or Alexandros This bundle available exclusively at Riptide contains both books in the Dancing with the Lion duology 1 *Dancing with the Lion Becoming* 2 *Dancing with the Lion Rise* [Brian the Dancing Lion](#) Tom Tinn-Disbury, 2022 Brian the lion loves to dance but since lions are supposed to be fierce he hides his talent from his lion friends until they explain that they also have talents that are not particularly fierce **The Dancing Lion** Stephen Barry, 2004-08 Happiness has always eluded Bill Harris His teaching job leaves him vaguely dispirited and unfulfilled To breathe life into his flagging career he transfers to a new high school but the decision backfires when his new principal assigns him classes filled with Vietnamese immigrants When school starts the students ask Harris to supervise a Vietnamese cultural club He reluctantly agrees unaware the decision will change his life He quickly becomes captivated by his students spellbound by the beauty of their culture and often speechless at their fierce loyalty for their parents He spends long hours helping them prepare a wondrous lunar New Year show Filled with music dance comedy and drama the show opens with a riveting performance by the Dancing Lion a terrifying guardian from the palace of a powerful god and ends with The Legend Stone Woman an ancient story that looks deep into the heart of the Vietnamese way of thinking and illustrates the integrity and strength of the Vietnamese woman The Dancing Lion describes a year in the life of an American teacher whose life is transformed by his students It is a touching display of people reaching out to each other across a cultural divide

**Dancing with the Lion: Rise** Jeanne Reames, 2019-07-15 The story of Alexander before he became the Great Finished with schooling Alexandros is appointed regent of Makedon while his father is away on campaign He thrives with his new authority this is the role he was born for yet it creates conflict with his mother and Hephaisstion And when his soldiers whom he leads with unexpected skill start to call him The Little King his father is less than delighted Tensions escalate between Alexandros and his father and between Makedon and the city states of southern Greece As the drums of war sound king and crown prince quarrel during their march to meet the Greeks in combat Among other things his father wants to know he can produce heirs and thinks he should take a mistress an idea Alexandros resists After the south is pacified friction remains between Alexandros and the king Hostilities explode at festivities for his father's latest wedding forcing Alexandros to flee in the middle of the night with his mother and Hephaisstion The rigors of exile strain his relationships but the path to the throne will be his biggest challenge yet a face off for power between the talented young cub and the seasoned old lion See this title's page on RiptidePublishing.com for content warnings
