Danger Time:

Landslide Risk Assessment E. Mark Lee, David K. C. Jones, 2004 Over the past decade there has been a gradual shift away from simply relying on engineering solutions to individual landslide problems to the use of a variety of strategies to manage the problems over a broad area Such alternative strategies include the use of building codes land use planning controls preventing water leakage early warning systems and insurance schemes This book addresses these developments and provides a multidisciplinary perspective on landslide management
