Dangerous Alibis:

Dangerous Alibis Carolyn Chambers Clark, Mary A. Liotta, 1994 *Humane Warfare* Christopher Coker, 2001-08-23 The decision to fight humanitarian wars such as Kosovo and the development of technology to make war more humane illustrates the trend in the West to try to humanise war and thereby humanise modernity This highly controversial and cutting edge book asks whether the attempt to make war virtual or virtuous can succeed and whether the west *My Faith as an African* Jean-Marc Ela, 2009-05-01 At a time when Africans like other peoples are facing the shock of technological and cultural modernity liberation of the oppressed must be the primary condition for an authentic inculturation of the Christian message This is the central axis of the papers in this book which begins with the questions of faith posed by cultural variables an internal dimension of the African s condition In order to understand what is at stake we need to place these matters in the overall context of a society and a history marked by conflicts which lead to a rereading of our African memory The basic issue of the Credibility of Christianity is being raised from within the dynamic which allows Africans to escape from the inhumanity of the destiny to which certain factors would condemn them So critical reflection on the relevance of an African Christianity requires us to identify the structures or strategies of exploitation and impoverishment against which Africans have always struggled finding their own specific forms of resistance within their cultures *Supreme Court Case on Appeal* , **New York Magazine** , 1989-02-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Advances in Psychology and Law** Brian H.
