Danish Arbitration Act:

Danish Arbitration Act 2005 Ketilbjørn Hertz, 2005 The aim of this book is to present Denmark's new Arbitration Act the Danish Arbitration Act 2005 to an international audience **Arbitration in Denmark** Steffen Pihlblad, Christian Lundblad, Claus S{ostrok}gaard-Christensen, 2014 The aim of the book is to give an easily accessible presentation of arbitration in Denmark The book is based on the Danish Arbitration Act 2005 which is based on the UNCITRAL model Law and the Rules of Arbitration Procedure of the Danish Institute of Arbitration with the main emphasis on the latter It is the intention that the book will serve as an introduction especially for non Danish lawyers and their clients who are or who expect to become involved in arbitration proceedings in Denmark The book is also helpful for non Danish lawyers and companies who are considering to enter into an **Commercial and Economic Law in Denmark** Peter Møgelvang-Hansen, 2017-01-20 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of the law covering merchants status and obligations including the laws governing state intervention in economic activities in Denmark provides quick and easy guidance on such commercial and economic matters as business assets negotiable instruments commercial securities and regulation of the conditions of commercial transactions Lawyers who handle transnational business will appreciate the explanation of local variations in terminology and the distinctive concepts that determine practice and procedure Starting with a general description of the specifically applicable concepts and sources of commercial law the book goes on to discuss such factors as obligations of economic operators and institutions goodwill broker client relations commercial property rights and bankruptcy Discussion of economic law covers the laws governing establishment supervision of economic activities competition law and government taxation incentives These details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance Thorough yet practical this convenient volume is a valuable tool for business executives and their legal counsel with international interests Lawyers representing parties with interests in Denmark will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative commercial and economic law **Security for Cost Under the Danish Arbitration Act** , 2017 Danish Business Law , 1998 *International Commercial Arbitration* Giuditta Cordero-Moss, 2013-03-14 Highlights specific features of various international commercial arbitration forms thus enabling lawyers drafting arbitration clauses to make informed choices *Shipping & International Trade Law* David Lucas, 2011 *Shipping International Trade Law* aims to provide a first port of call for clients and lawyers to start to appreciate the issues in numerous maritime jurisdictions Each chapter is set out in such a way that readers can make quick comparisons between the litigation terrain in each country determining the differences between for example the rights of cargo interests to claim for cargo loss or damage in Italy and England *Responsibilities and Liabilities for Commercial Activity in the Arctic* Vibe Ulfbeck, Anders Møllmann, Bent Ole Gram Mortensen, 2016-03-02 Given the magnitude of the risks

associated with commercial activities in the Arctic arising as a result of the milder climate new business opportunities raise important questions of responsibility and liability This book analyses the issues of responsibility and liability connected with the exploitation of natural resources marine transport and other activities in the Arctic Applying a combined private and public law perspective on these issues it considers both the business and societal interests related to Arctic development using Greenland as an example The book focuses on problems that are specific to Greenland and wider issues that affect all Arctic states

Industrial Conciliation and Arbitration Douglas Knoop,1905 **Rethinking Nordic Courts** Laura Ervo,Pia Letto-Vanamo,Anna Nylund,2021-08-01 This open access book examines whether a distinctly Nordic procedural or court culture exists and what the hallmarks of that culture are Do Nordic courts and court proceedings share a distinct set of ideas and values that in combination constitute the core of a regional legal culture How do Europeanisation privatisation diversification and digitisation influence courts and court proceedings in the Nordic countries The book traces the genesis and formation of Nordic courts and justice systems to provide a richer comprehension of contemporary Nordic legal culture and an understanding of the relationship between legal cultural stability and change In answering these questions the book provides models for conceptualising procedural culture Nordic procedural culture has partly developed organically and is partly also the product of deliberate efforts to maintain a certain level of alignment between the Nordic countries Studying Nordic cooperation enables us to gain a deeper understanding of current regional European and global harmonisation processes within procedural law The influx of supranational European law increased use of alternative dispute resolution and growth in regulation density that produces a conflict between specialisation and coherence have tangible impact on the role of courts in a democratic society the form of court proceedings and court structures This book examines whether and why some trends exert more tangible or perhaps simply more perceptible influence on procedural culture than others

Multilingual and Multicultural Contexts of Legislation Vijay Kumar Bhatia,2003 This volume is one of the outcomes of the project Generic Integrity of Legislative Discourse in Multilingual and Multicultural Contexts which analyses international arbitration laws written in different languages and used across legal systems It documents the development of legal frameworks of a range of diverse countries highlighting in particular not only the diversity of their legislative frameworks processes and procedures but more importantly those socio political economic cultural and linguistic influences which have a significant role to play in the development of legal frameworks thus providing a crucial backdrop for our understanding of legal language in the global context
