White Goes for the Jugular The Danish Gambit 1 e4 e5 2 d4 exd4 3 c3 is one of the most aggressive chess openings ever devised Dynamite was invented by a Swede Alfred Nobel The book you are reading now however was not written by Nordic players Instead Grandmaster Karsten Müller and FIDE Master Martin Voigt bring a touch of German method to the analysis of the explosive group of classical open games where White goes for out and out attack based on an early e4 d4 and Bc4 often with c2 c3 to follow Müller and Voigt do not confine themselves to the Danish Gambit alone but they examine a whole family of related opening variations that share some common characteristics Most importantly White is ready to offer some material a pawn or two sometimes a piece or more White goes for the jugular and if Black is not careful he will not even reach the middle game let alone an endgame A guiding principle for the authors of this book is that White will play attacking chess fighting for the initiative at every move If Black does not meet the challenge in an equally determined way he will surely lose This is the epub edition of the popular book published in 2003 *Paperback Oxford English Dictionary* Maurice Waite, 2012-05-10 Little Oxford English Dictionary is a book to support knowledge creation of Sara Hawker Available at a lower price from other sellers that may not offer free Prime shipping This is a major new edition of the Little Oxford English Dictionary offering the most accurate and up to date coverage of essential everyday vocabulary Based on evidence from the Oxford English Corpus a unique database with hundreds of millions of words of English it provides a fresh selection of 90 000 words phrases and definitions Definitions are given in a clear simple style avoiding technical language and are easier to understand than ever before and there are hundreds of notes on spelling and grammar to help you get it right A brand new Factfinder center section gives easy access to information on topics such as countries and their capitals kings and queens and weights and measures as well as help with spelling and punctuation A new clear design makes the Little Oxford English Dictionary easy to use and ideal for use at school at home and in the office Find out more about our living language using Oxford Dictionaries Online Hear how words are spoken with thousands of audio pronunciations and access over 1 9 million real English example sentences to see how words are used in context Improve your confidence in writing with helpful grammar and punctuation guides full thesaurus information style and usage help and much more Discover more on oxforddictionaries.com Oxford's hub for dictionaries and language reference *The New York Times Book Review*, 1939

Danish Dynamite Rob Smyth, Lars Eriksen, Mike Gibbons, 2014-04-24 The story of the coolest international football team in history the 1980s Danish national team told for the first time in English The Denmark side of the 1980s was one of the last truly iconic international football teams Although they did not win a trophy they claimed something much more important and enduring glory and in industrial quantities They were a bewitching fusion of futuristic attacking football effortless Scandinavian cool and laid back living They played like angels and lived like you and I and they were everyone's second team

in the mid 1980s The story of Danish Dynamite as the team became known is the story of a team of rock stars in a polyester Hummel kit Hailing from a country with no real football history to speak of and a population of five million this humble and likeable team was unique Everyman off the field and superheroes on it they were totally of their time and their approach to the game was in complete contrast to the gaudy excess and charmless arrogance of today s football stars That they ultimately imploded in spectacular style with a shocking 5 1 defeat to Spain in the 1986 World Cup in a game that almost everyone expected them to win only adds to their legend For the first time in English Danish Dynamite tells the story of perhaps the coolest team in football history a team that had it all and blew it in spectacular style after a live fast die young World Cup campaign Featuring interviews with the players themselves including Michael Laudrup Preben Elkj r and Jesper Olsen as well as with those who played or managed against them this is a joyous celebration of one of the most life affirming teams the world has ever seen
