Survey of the criticism devoted to Gottfried Keller the important nineteenth century writer in German The works of Gottfried Keller 1819 1890 rank alongside those of Goethe and Thomas Mann yet this volume is the first in any language to examine the critical assessment and scholarly expertise devoted to him ranging from the early stages of journalistic criticism to the present day Professor Ruppel begins by exploring the literary industry in the nineteenth century the literary market place the tastes of the reading public and the expectations of editors before going on to survey representative journalistic assessments of Keller s writing including critical correspondence from Keller s contemporaries Subsequent chapters examine in chronological order the most important milestones in Keller scholarship particularly twentieth century criticism and the Anglo American tradition There is also a brief history of the translations of Keller s works into English investigating some of the difficulties confronting English translators of Keller s poetically creative German The study concludes with an overview of recent scholarly assessments covering the past twenty five years

Allegories of Format Malika Maskarinec, 2025-12-15

Allegories of Format examines the significance of format to the literary oeuvre of the nineteenth century Swiss author Gottfried Keller 1819 1890 best known for his 1855 novel *Green Henry* Der gr ne Heinrich Malika Maskarinec understands format as the organization of a media object s relationship to a world of objects and persons format orders a text s contents or in the case of literature what it represents Maskarinec focuses on three formats of growing prominence in nineteenth century media culture the collected works edition the document and the periodical The analysis demonstrates that different fictional worlds characters and plots in Keller s literary output allegorize the problems that specific print and paper formats pose to literary ideals of literature as an art form and to ideals of creative authorship As *Allegories of Format* shows attending to format allows for false antitheses inherited from the nineteenth century to be dismantled between high and trivial literature between the singular artwork and mass media products and between creative literary works and the supposedly uncreative writing practices of office work This book is available as an Open Access volume thanks to funding from the University of Bern
