Das Team Roman:

Archaeological Investigations in a Northern Albanian Province Michael L. Galaty, Lorenc Bejko, 2023-09-12 This work presented in two volumes is focused on the province of Shkodër in northern Albania. It is the first synthetic archaeological treatment of this region and is based on five years of field and laboratory work. Some of the earliest and largest hillforts and tumuli burial mounds in Albania dating to the Bronze and Iron Age are located in Shkodër and this region is important to ongoing archaeological debates regarding the origins of inequality and the rise of social complexity. Volume 1 includes geological context, a literature review, historical background, and reports on the regional survey and test excavations at three settlements and three tumuli. In Volume 2, the authors describe the artifacts recovered through survey and excavation, including chipped stone, small finds, and pottery from the prehistoric, Classical, Roman, medieval, and post-medieval periods. They also present results of faunal, petrographic, chemical, carpological, and strontium isotope analyses of the artifacts. [The Coaches](#) Bill Libby, 2014-10-01 This classic book on coaching has been used as a reference guide for generations of coaches in football, baseball, soccer, gymnastics, and swimming. Sports journalist Bill Libby collected wisdom from over 50 different coaches, including Vince Lombardi, Bill Russell, Lefty Phillips, Billy Martin, Casey Stengel, Tom Landry, Woody Hayes, Leo Durocher, Bear Bryant, and Red Auerbach. While there are plenty of books that serve as technical manuals to the profession, *The Coaches* covers the reasons, tricks, motivations, and passion behind this most unusual pursuit. It's why some of the most famous names in contemporary coaching keep coming back to this quintessential work of sports journalism. [The American Printer](#), 1920 **Playing Hurt** Jace Wilder, 2026-02-28 Roman Vane is running out of time. At thirty-four, the veteran captain of the Ice Lions is holding his career together with sheer stubbornness and a fraying shoulder. He refuses to slow down, and he definitely refuses to listen to the team's new twenty-three-year-old physical therapist. Especially since that therapist happens to be the head coach's son. Julian Miller is tired of being invisible. Living in the shadow of his controlling father, Julian just wants to do his job, keep his head down, and fix the injuries of athletes who won't listen to reason. When Roman lands on his treatment table, Julian expects an arrogant superstar. He doesn't expect the fierce, undeniable pull between them, or the way the hardened captain makes him want to stop hiding. What starts as clinical assessments in a quiet, amber-lit clinic soon spills over into stolen nights, dark penthouses, and breathless secrets. But a relationship between a player and a staff member is strictly forbidden. If they are caught, Roman could lose the game he's sacrificed his body for, and Julian could lose the independence he's just beginning to find. They have to decide if playing hurt is worth the risk of finally healing. **Sober** Tony Adams, 2017-06-01 THE BRILLIANT SUNDAY TIMES BESTSELLER A searingly honest account of the Arsenal legend's quest to recover from alcoholism. Unflinchingly brave Sunday Mirror Being Addicted was only half the story; now comes the stunning new autobiography from Tony Adams, now appearing on Strictly Come Dancing. Tony Adams was a charismatic figure on the football field, a true leader for Arsenal and England. He won league titles in three separate decades and after the

Gunners moved to their new stadium at the Emirates it was fitting that a statue of him was erected outside to celebrate his extraordinary career But for much of that time he was also drinking heavily and eventually admitted in his book *Addicted* that he was an alcoholic Now in that book's stunning successor *Sober* Adams reveals what happened next He discusses the impact that Arsene Wenger had when he arrived at Arsenal in 1996 and how the manager's new methods helped extend his career and brought new success to the club Always a great thinker on the game Adams moved into coaching and management on retirement playing a key role in Portsmouth's famous FA Cup triumph in 2008 and taking on new challenges in the Netherlands Azerbaijan China and now Spain to broaden his perspective He movingly explains the struggles he's faced to stay sober for twenty years and why he set up Sporting Chance the charity which provides treatment and support for sports stars suffering from addictions He assesses why Arsenal have struggled to repeat the title winning formula of his own time there *Sober* is a truly inspirational memoir from someone who has battled with his demons but has continued to take things on one day at a time
