## **Database Relational Model A Retrospective Review And Analysis:**

*The Database Relational Model* C. J. Date, 2001 *The Database Relational Model A Retrospective Review and Analysis* is a retrospective of E F Codd's original ideas in which C J Date revisits the original papers highlights their critical contributions to the basis of relational database management systems and discusses the current day applications of these ideas Codd's relational model first presented to the world in a series of research papers from 1969 to 1979 was at the time revolutionary More than 30 years later however it seems that the database community in general has come to regard the relational model as somewhat passe and no longer relevant even though the entire database industry is founded on that model Two factors that might explain this are that several of Codd's original papers have since become hard to find and some of his writings were somewhat difficult to read and understand This book aims to clearly evaluate Codd's original ideas and relate them to today's database society

**Beginning Sensor Networks with Arduino and Raspberry Pi** Charles Bell, 2014-01-23 *Beginning Sensor Networks with Arduino and Raspberry Pi* teaches you how to build sensor networks with Arduino Raspberry Pi and XBee radio modules and even shows you how to turn your Raspberry Pi into a MySQL database server to store your sensor data First you'll learn about the different types of sensors and sensor networks including how to build a simple XBee network Then you'll walk through building an Arduino based temperature sensor and data collector followed by building a Raspberry Pi based sensor node Next you'll learn different ways to store sensor data including writing to an SD card sending data to the cloud and setting up a Raspberry Pi MySQL server to host your data You even learn how to connect to and interact with a MySQL database server directly from an Arduino Finally you'll learn how to put it all together by connecting your Arduino sensor node to your new Raspberry Pi database server If you want to see how well Arduino and Raspberry Pi can get along especially to create a sensor network then *Beginning Sensor Networks with Arduino and Raspberry Pi* is just the book you need
