Many people find it hard to think of new and exciting ideas for dates and trust me, it's not the easiest thing to do or figure out. But people do appreciate a bit of creativity and spontaneity from time to time, so why not surprise your next date or spouse with something different and that's exactly why I created this book. What I hope you get out of this book is a whole lot of fun and exciting dates and maybe even a laugh or two. This book is filled with some cool date ideas that aren't very expensive. Now this could be your first time going out on a date and you want to make a good impression by doing something different and creative or if you're married and lucky enough to escape the kids for one evening and want to keep things fresh and surprise your spouse with something different, unique, and maybe even something magical to keep that spark. Or if you're tired and bored of the same old date ideas, then this book is for you. So let me change how you see dating, so sit back, relax, and enjoy the ride and allow the love adventure to begin.
