David Jb Shreve,2025-06-24 His heart and poems of worship continue to inspire us even three thousand years after he walked this earth He was the legendary giant slayer the fearless leader of the mighty men His kingdom set the benchmark against which all future kings of Israel were measured Yet he was also a man of profound contradictions a womanizer adulterer murderer and a soul seemingly haunted by the shadows of his own sins in his later years Most incredibly he was the cherished apple of God's eye Think you know the real King David In this riveting Biblical study JB Shreve delves deep into the life of David the flawed yet divinely beloved hero David remains one of the most influential characters in all of Scripture However many religious approaches reduce him to merely iconic moments of his story and overlook the larger point that Scripture aims to convey about this man If the Bible's account of David's life has not challenged or even offended you you might be reading it wrong David the poet warrior and king embodies a magnificent hero of the faith who illustrates the beauty of God's love and the purposeful design of life This is a story about destiny courage authenticity failure and most importantly redemption

Warrior Psalms John Mabus,2013-03-01 Over the last seven months I have served as the chaplain for a task force made up of dedicated warriors who are a daily inspiration of devotion selflessness and honor The inspiration for these reflections came from the moments in prayer that I spent with these warriors prior to their missions Often our prayer time would start with reading a portion of one of King David s psalms King David stands out as the definitive human warrior of the Bible who was also a man after God s own heart His life was marked by many of the same personal battles that face our contemporary warriors This book contains short reflections on 31 of King David s psalms possibly to be read over the course of a month King David s psalms help us draw nearer to God in various types of situations The reflections are arranged not in the order that the psalms come in the Book of Psalms but arranged by type of psalm Just like with books non fiction novels poetry or comic books there are different types of psalms Each type of psalm has its own purpose characteristics and style Each week of readings focus on a different type of psalm to explore understand and apply It is the purpose of these reflections to point us not just to the great Warrior King David but to his King and God God himself
