**David Bowie's Low** Hugo Wilcken,2005-08-19 One day I blew my nose and half my brains came out Los Angeles 1976 David Bowie is holed up in his Bel Air mansion drifting into drug induced paranoia and confusion Obsessed with black magic and the Holy Grail he s built an altar in the living room and keeps his fingernail clippings in the fridge There are occasional trips out to visit his friend Iggy Pop in a mental institution His latest album is the cocaine fuelled Station To Station Bowie I know it was recorded in LA because I read it was which welds R B rhythms to lyrics that mix the occult with a yearning for Europe after three mad years in the New World Bowie has long been haunted by the angst ridden emotional work of the Die Brucke movement and the Expressionists Berlin is their spiritual home and after a chaotic world tour Bowie adopts this city as his new sanctuary Immediately he sets to work on Low his own expressionist mood piece *David Bowie's Low* Hugo Wilcken,2005-08-19 Los Angeles 1976 David Bowie is holed up in his Bel Air mansion drifting into drug induced paranoia and confusion Obsessed with black magic and the Holy Grail he s built an altar in the living room and keeps his fingernail clippings in the fridge There are occasional trips out to visit his friend Iggy Pop in a mental institution His latest album is the cocaine fuelled Station To Station Bowie I know it was recorded in LA because I read it was which welds R B rhythms to lyrics that mix the occult with a yearning for Europe after three mad years in the New World Bowie has long been haunted by the angst ridden emotional work of the Die Brucke movement and the Expressionists Berlin is their spiritual home and after a chaotic world tour Bowie adopts this city as his new sanctuary Immediately he sets to work on Low his own expressionist mood piece The Words and Music of David Bowie James E. Perone,2007-06-30 All Music Guide s Stephen Thomas Erlewine has written Even when he was out of fashion in the 80s and 90s it was clear that Bowie was one of the most influential musicians in rock for better or worse In this comprehensive analysis of David Bowie s career author James Perone examines the many identities and styles Bowie has developed over the years and in so doing provides a stunning chronicle of creativity at work Born David Jones in a London suburb in 1947 David Bowie changed his name in the late 60s to avoid confusion with the singer David Jones of The Monkees This name change would turn out to be a highly prescient act for in incorporating an exceptionally wide variety of styles Bowie would become the most notorious chameleon of the rock era Due in large part to his early success in the glam rock subgenre and his claims of homosexuality dismissed by many writers as a ploy to generate public interest and record sales Bowie raised serious issues about sexual orientation in rock music regardless of whether or not his claimed homosexuality was genuine or part of his on stage character His regular use of theatrical personae also raises interesting issues concerning authenticity and the perception of authenticity in rock music Although Bowie has been primarily an album artist his recordings of Fame Golden Years Let s Dance China Girl Blue Jean and Dancing in the Streets all made it into the Billboard top 10 singles charts Of these all but one was written or co written by Bowie Even more notable are the songs he wrote and recorded that have made an impact far in excess of their chart

standing These include Space Oddity Rebel Rebel Changes Modern Love and Young Americans From his early 1970s albums like Hunky Dory and The Rise Fall of Ziggy Stardust and the Spiders from Mars in both of which he assumed the character of the fictional androgynous Stardust to Diamond Dogs Heroes Tin Machine and Black Tie White Noise Bowie's albums generated both significant word of mouth interest and some of the most contentious critical reactions of any artist of the rock era This long overdue investigation lets Bowie's artistry speak for itself After a biographical introduction chronologically arranged chapters discuss the singer's fascinating and iconoclastic body of work A discography and annotated bibliography conclude the book Billboard ,1977-01-22 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
