

# 'Twas The Night Before School Starts

'Twas the night before school starts and all through the house  
Not a creature was stirring, not even a mouse.

The backpacks were hung by the front door with care  
In hopes that the morning soon would be there.

The children were restlessly sleeping in bed  
While Momma, a million things rushed in her head.

Once all were asleep, happy school dreams arose.  
With visions of friends, teachers, apples and clean clothes.

For in just a few hours, the new day would come,  
And all would awake to the bright morning sun.

Kids would put on fresh clothes, new shoes and a smile  
And fidget and fumble with nerves for a while.

Then bravely stand up with a smile and say  
"I'm ready to do this. Let's get on our way!"

Momma would take a few pictures and wipe a small tear  
For the long awaited first day of school was now here!

Happy first day of school to all... and to all a great first day!
