*Arizona Coffin* John Legg, John P. Legg, 1989-03 In a land where the law was a bullet it was up to Joe Coffin to stop the ruthless band of marauding renegades led by the smooth talking cutthroat Reno Holder Following their trail of carnage and rape Coffin buried them one by one until only Holder was left and Coffin wanted him most of all **Arizona's Yesterday** John H. Cady, 2026-02-24 This book in affectionate tribute to the gallant courage rugged independence and wonderful endurance of those adventurous souls who formed the vanguard of civilization in the early history of the Territory of Arizona and the remainder of the Great West When I first broached the matter of writing his autobiography to John H Cady two things had struck me particularly One was that of all the literature about Arizona there was little that attempted to give a straight chronological and intimate description of events that occurred during the early life of the Territory and second that of all the men I knew Cady was best fitted by reason of his extraordinary experiences remarkable memory for names and dates and seniority in pioneership to supply the work that I felt lacking Some years ago when I first came West I happened to be sitting on the observation platform of a train bound for the orange groves of Southern California A lady with whom I had held some slight conversation on the journey turned to me after we had left Tucson and had started on the long and somewhat dreary journey across the desert that stretches from the Old Pueblo to San Berdoo **Encyclopedia of Early**
