The Undiscovered Country Paul Andrew Hutton,2025-08-05 New York Times Bestseller From the author of The Apache Wars the true story of the American West revealing how American ambition clashed with the realities of violence and exploitation The epic of the American West became a tale of progress redemption and glorious conquest that came to shape the identity of a new nation Over time a darker story emerged one of ghastrly violence and environmental spoliation that stained this identity The Undiscovered Country strips away the layers of myth to reveal the true story of this first epoch of American history From the forests of Pennsylvania and Kentucky to the snow crested California Sierras and from the harsh deserts of the Southwest to the buffalo range of the Great Plains Paul Andrew Hutton masterfully chronicles a story that defined America and its people From Braddock s 1755 defeat to the 1890 Wounded Knee massacre he unfolds a grand narrative steeped in romantic impulses and tragic consequences Hutton uses seven main protagonists Daniel Boone Red Eagle Davy Crockett Mangas Coloradas Kit Carson Sitting Bull and William Buffalo Bill Cody as the biographical threads by which to weave a tapestry across seven generations revealing a story of heroic conquest and dark tragedy of sacrifice and greed and of man made wonders and environmental ruin The American frontier movement has proven eternally fascinating around the world the subject of countless books paintings poems television shows and films The Undiscovered Country reveals the truth behind America s great creation myth

The Encyclopedia of the Wars of the Early American Republic, 1783-1812 Spencer C. Tucker,2014-06-11 Relatively little attention has been paid to American military history between 1783 and 1812 arguably the most formative years of the United States This encyclopedia fills the void in existing literature and provides greater understanding of how the nation evolved during this era This encyclopedia offers a comprehensive examination of U S military history from the beginning of the republic in 1783 up to the eve of war with Great Britain in 1812 It enables a detailed study of the Early Republic during which ideological and political divisions occurred over the fledgling U S military The entries cover all the important battles key individuals weapons Indian nations and treaties as well as numerous social political cultural and economic developments during this period The contents of the work will enable readers at the high school college university and even graduate level to comprehend how political parties emerged and how ideological differences over the organization size and use of the military developed Larger global developments including Anglo American and Franco American interactions relations between Middle Eastern states and the United States and

relations and warfare between the U S government and various Indian nations are also detailed The extensive and detailed bibliographies will be immensely helpful to learners at all levels
