## **Armageddon When Where:**

**Armageddon** John E. McConner, 1974-01-01      Revelation Is History Foretold Virgil Fleenor, 2010-03-31 The thesis of the author is that The Book of Revelation predicted precise events in history V J Fleenor chronicles interesting events from Roman times to our present age as clear indication that symbols and signs of the Apocalypse can be deciphered if one is also a student of history      Finishing the Race Human History, Life, and Race before Us Plammoottil V. Cherian, 2023-08-29

**FINISHING THE RACE** Stimulating theological and packed with fascinating historical details of Human Race from a Biblical perspective author s lively tour of the entire Bible traces the origin of human race from one man whose progeny spread to the entire earth filled the earth established their nations with set boundaries Author establishes the historical account of creation challenging the concept of Darwinian Evolution which claims man is an evolutionary product Author stresses that there is only One God who created the universe the cosmos the planets stars life and the multitude of living species of organisms with the command endowed in their DNA when God said to herbs plants and animals to multiply according to its kind according to their kind which is the basis for biological variation and speciation Whereas God s command to human beings was Be fruitful and multiply fill the earth and subdue it meaning there is only one single race of humanity Author has a profound Christian vision of humanity s temporal and eternal destiny and thus he relates in *Finishing the Race* In an age when truth is relative and vanishing conscience the nations are the crossroads confused about the true direction as nations are estranged from God The present culture is as in the Days of Noah quoting Jesus and citing world events and conditions as signs of the end An end time scenario of world and the second coming of Christ when a northern and a southern army will clash in fierce battle over Jerusalem the Holy City of God the capital of the Messianic Kingdom Not claiming any superiority like many of the past and famous scientists like Galilei Galileo Blaise Pascal Isaac Newton Louis Pasteur Robert Boyle etc Cherian attempt to convince his readers God is in control of human and world affairs and natural events Heaven and hell are not mysterious realms of imagination but true physical entities invisible to human eyes and calls the nations to submit to God who only is the answer to national and global unrest that we see now      **Rapture and Revelation** R. G. Brock, 2009-10 This book is not written for Christians alone but is written for anyone who desires to know the near future Study helps and materials are listed along with instructions which will give any one the means to understand even the most difficult scriptures in the Bible which is the most accurate of any book on end time events With many books on the subject none are as telling and straight forward as *Rapture and Revelation* While there are many fears concerning the end times author R G Brock embarks on the task to unravel the mysteries of the Rapture and Revelation While attending Rhema Bible Training Center in Broken Arrow Oklahoma R G Brock had the privilege of being taught by well known author and teacher brother Kenneth Hagin Sr who has since went home to be with Jesus After being inspired by one of Hagin s lectures Brock obeyed his strong urge to write a book on the end times This heart gripping treatise will guide you into the truth as you uncover the

mystery of the end of times This book is written to give you a clear incite into the end of this age The end begins with peace when a worldwide 7 year peace agreement is signed in the next few years which will be backed by a one world government run by the United Nations Then in the middle of the 7 year period the peace agreement will be broken and all hell literally breaks loose which leads to a time of trouble such as never has been or ever will be again During this time of the last 3 1 2 years which is called great tribulation most of the people on the earth will die However if you are a Christian you will not go through this terrible time You will find this book is the most in depth study on what is called the rapture which is the catching away of the Christians to not go through great tribulation and you will find that it is by far the most in depth study of The Revelation which shows what will happen during this time of great trouble **The Glory of Israel** ,1917
