

A dramatic, apocalyptic painting of a city at night. The scene is dominated by a large, multi-story building with a central tower, illuminated from within. A bright lightning bolt strikes the top of the building, creating a stark contrast against the dark, stormy sky. The foreground is filled with dark, jagged rocks and a turbulent, fiery river of lava or molten rock that flows from the right side towards the center. The overall atmosphere is one of intense, divine judgment and destruction.

Armageddon Grant R. Jeffrey,1998-06 Armageddon will answer questions the average person asks about what the Bible says about the battle to end all battles Unlike the pundits of doom Armageddon like the Bible has a surprisingly positive and hopeful end Armageddon Factor Rik Levins, **Armageddon** Ferdinand. The Truth about Armageddon William Sanford La Sor,1987 **The End of Days** Zecharia Sitchin,2008-03-25 Why is it that our current twenty first century A D is so similar to the twenty first century B C Is history destined to repeat itself Will biblical prophecies come true and if so when It has been more than three decades since Zecharia Sitchin s trailblazing book *The 12th Planet* brought to life the Sumerian civilization and its record of the Anunnaki the extraterrestrials who fashioned man and gave mankind civilization and religion In this new volume Sitchin shows that the End is anchored in the events of the Beginning and once you learn of this Beginning it is possible to foretell the Future In *The End of Days* a masterwork that required thirty years of additional research Sitchin presents compelling new evidence that the Past is the Future that mankind and its planet Earth are subject to a predetermined cyclical Celestial Time In an age when religious fanaticism and a clash of civilizations raise the specter of a nuclear Armageddon Zecharia Sitchin shatters perceptions and uses history to reveal what is to come at The End of Days **Rushing Ahead to Armageddon** Christopher M. Jones,2010 The world seems to be on the brink as tensions in the Middle East are escalating daily Russia is strengthening its ties with China North Korea Syria and Iran arming them with sophisticated military weaponry Russia is building up its armed forces returning to Cold War military tactics including reopening ports used by the former Soviet Union Tensions between Israel and Iran have never been higher with each nation poised to strike against the other in a moment s notice Iran s nuclear ambition is well documented and is becoming a menace on the International stage With Israel s very existence at stake a preemptive strike against Iran s Russian built nuclear facilities is not out of the realm of possibility A preemptive strike by Israel could provoke a retaliatory response by Russia and her allies It seems that in a moment s notice the events described in Ezekiel 38 39 could break out right before our eyes or is it For many years contemporary prophecy writers have been telling us that we are living in the last days and the Gog and Magog alliance is one sure sign that the Rapture and the Second Coming of Christ are near However there is strong biblical evidence that the candidate often identified as Gog Russia may not in fact be the candidate that Ezekiel was referring too Using the Bible as a guide we can figure out who this obscure person is instead of using today s newspapers With a long history of well documented failed predictions by contemporary prophecy writers maybe it s time that we begin to reevaluate today s popular interpretation of Ezekiel 38 39 in light of the Bible Author s Bio Christopher Jones is the church administrator for Faith Community Worship Center located in the San Francisco Bay Area where he also preaches part time *The Last Days of the End Times* Jerry William Bowers, Jr.,2012-05-01 Don t forget to stop by our

Carter,2014-10-19 Let us share in God's message to inspire fulfill and guide us through our day to day lives as we travel on our worldly journey in search of spiritual growth and guidance Let us live each day to the fullest as children of God waiting the day of His return While the world spirals out of control many are asking Are we living in the final days There is no one on earth who has the answer only God has the answer to that question I can tell you that in scripture Christ tells us to always be ready for His return He says that he will come like a thief in the night and that know one will know the hour or the day I have written this book of devotional scripture and prayer and added within many of the signs and events of things that we are facing as a nation as family and as children of God in an effort to help the reader to see that time is of the essence and unlike many times when people have tried to predict the end of the world that is not my intention I am going by scripture and what is going on in the world at this very moment As I search and read and watch the events that are taking place all around us I

have to ask How much more can God allow to take place When science starts trying to perform the same creations as God by cloning DNA to create animals to genetically create food that is meant to be grown from the seeds of the food God created for us and then finally when we begin to look for other planets that are inhabitable for man to live on I call that fear of the days ahead Our government looking for a place to run when there is nowhere to hide on this earth from the inevitable Armageddon In the book of 2 Peter the KJV God s says I will destroy the heavens and the earth There will be no where for anyone to hide when the final day arrives Are you ready if Christ returns today [America at Armageddon](#) John Brandenburg,2017-12-14 The Eagle flies high Over Armageddon Everything you have heard about God abandoning America and letting it perish long before Christ s return in the End Times is wrong Instead newly accurate translations of Revelations portray America as soaring like an Eagle over the end times an ally and deliverer of Israel and leader of a Holy Alliance of Godly nations against the Antichrist As interpreted by two seasoned scientists and experts in Intelligence an astonishing new picture of America in the end times has now emerged from modern translations of the scriptures Instead of casting away America in the end times because of its faults God will instead hear the prayers and repentance of its people He will remember America s great blessings and help to the Children of Israel and give blessings rather than condemnation Clearly as documented by scriptures in the Bible America will fulfill its God given destiny through Armageddon and beyond as God s superpower on Earth America will therefore not perish but will be the deliverer of Israel s people America as the Eagle of Revelations standing by God s Throne and helped by the Lion of Great Britain is now understood to be the nation warning the world of God s wrath from the middle of heaven in Revelations America is the Eagle whose mighty wings rescue Israel out of the flood from the Dragon s mouth moving from Asia and bears her away to a place of safety America is the powerful King of the North of Daniel who at the time of the end leads a Holy Alliance that wages war upon the Antichrist America attacking the Antichrist by sea land and air like a Whirlwind This is America now seen in the Bible as we have always known her through history As in the words of Abraham Lincoln The Last Great Hope on Earth This is the America that Theodore Roosevelt spoke of when he said We stand at Armageddon and Battle for the Lord So as is shown clearly by the scriptures in this book unlike works of previous writers on this subject that America will enjoy the blessing and help of God even through Armageddon and beyond However the end times will be a period of great trials and tribulations for Americans as possibly seen in the vision of George Washington at Valley Forge perhaps even a period of terrible civil war involving large numbers of foreign mercenaries who will make a failed attempt to conquer America and bring it under control of the Anti Christ But as seen clearly at the time of the end America will triumph as Christ makes His triumphal return This book depicts the geopolitical struggle of Godly and ungodly forces entwined in the Middle East through the ages ending with the prophecy of the massive Chinese Army of 200 million men the flood from the Dragon s mouth marching down the Silk Road to attempt to destroy Israel Also discussed is the great persecution of Christians through its historic foreshadowing the martyrdom of the
