Pfaltzgraff (jr), Geoffrey Kemp, 1978 Militærhjelp og vbenhjelp til mindre udviklede lande i den tredje verden er denne bogs emne En række specialister beskriver dette inden for dets militære politiske og økonomiske aspekter *Arms Transfers and the Third World: Trends and Developments. CLIC Papers* Edward S Ely (II.), ARMY-AIR FORCE CENTER FOR LOW INTENSITY CONFLICT LANGLEY AFB VA., 1988 The role of arms sales in world politics has grown tremendously since the end of World War II particularly in the last decade The importance of arms sales is increasingly evident in the foreign policies of supplier and recipient nations in regional politics and balances and in East West competition as in North South relations Arms sales have become in recent years a crucial dimension of international affairs This paper examines several postwar trends in arms transfers and looks at what their impact will be on the conduct of conflict in the future One of the challenges encountered while researching this topic was the sheer complexity of the global politics of arms sales What we are talking about here are the political motives economic incentives and the security perspectives of the world Arms sales have almost become a daily routine occurrence The intent of this paper is to increase the reader's knowledge of an extremely complex and not well understood phenomenon **Conventional Arms Transfers to the Third World, 1984-1991** Richard F.
