By: Arnold Bennett** Arnold Bennett, 2017-01-24 Enoch Arnold Bennett 27 May 1867 27 March 1931 was an English writer. He is nowadays best known as a novelist but he also worked in other fields such as the theatre, journalism, propaganda and film. Early life Bennett was born in a modest house in Hanley in the Potteries district of Staffordshire. Hanley is one of a conurbation of six towns which were joined together at the beginning of the 20th century as Stoke on Trent. Enoch Bennett his father qualified as a solicitor in 1876 and the family moved to a larger house between Hanley and Burslem. Bennett was educated locally in Newcastle under Lyme. Bennett was employed by his father but the working relationship failed. He found himself doing jobs such as rent collecting which were uncongenial. Bennett also resented the low pay. It is no accident that the theme of parental miserliness is important in his novels. In his spare time he was able to do a little journalism but his breakthrough as a writer came after he had moved from the Potteries. At the age of 21 he left his father's practice and went to London as a solicitor's clerk. Career Journalism and nonfiction Bennett won a literary competition hosted by *Tit Bits* magazine in 1889 and was encouraged to take up journalism full time. In 1894 he became assistant editor of the periodical *Woman*. He noticed that the material offered by a syndicate to the magazine was not very good so he wrote a serial which was bought by the syndicate for 75 equivalent to 10 000 in 2015. He then wrote another. This became *The Grand Babylon Hotel*. Just over four years later his first novel *A Man from the North* was published to critical acclaim and he became editor of the magazine. From 1900 he devoted himself full time to writing giving up the editorship. He continued to write journalism despite the success of his career as a novelist. In 1926 at the suggestion of Lord Beaverbrook he began writing an influential weekly article on books for the *Evening Standard* newspaper. As well as the novels much of Bennett's non-fiction work has stood the test of time. One of his most popular non-fiction works which is still read to this day is the self-help book *How to Live on 24 Hours a Day*. His diaries have yet to be published in full but extracts from them are often quoted in the British press. [Arnold Bennett](#) Margaret Drabble, 1974
