Around Bradford Pa Volume Ii:

Around Bradford Sally Ryan Costik,1998-06-01 Explore the fascinating history of Bradford Pennsylvania with more than 200 vintage photographs and anecdotes from the locals who experienced it Around Bradford Volume II further looks at the history of the area as it has not been seen before Once one of the largest cities in Pennsylvania Bradford relied heavily on oil production in the 1880s for its success Author Sally Ryan Costik allows us to glimpse into the Age of Innocence at the turn of the century before she endeavors to examine the city s own tumultuous past In the 1920s it was home to KKK activity gangster slayings and mob retaliation events that contrast sharply with the images of Sunday school industrial growth and high society from Millionaires Row found in this collection In the years following the Roaring Twenties Costik takes a unique look at the Depression era through the eyes of sports fans She chronicles Bradford s baseball team through the decade as they played within the PONY league circuit comprised of Pennsylvania Ontario and New York No history of Bradford would be complete without giving mention to the Bradfordians who supported the war effort on the home front Around Bradford

Susan M. Pascal,Sally Ryan Costik,The Bradford Landmark Society,1997-05 When people think of Bradford in any historical sense they think of oil and the remarkable effect that it has had on the community The discovery of black gold in the late 1870s literally erased the earlier image of a backwoods lumber town and firmly established Bradford as a place of millionaires and mansions people and progress This latter image is so strong however that a very important part of the history of Bradford is often overlooked a phenomenon that this volume strives to correct Each photograph is from the collection of the Bradford Landmark Society and many of these pictures have never before been published Covering the era from the late 1850s to the mid 1940s Around Bradford focuses on a time that people regard with fondness and hold firmly in their memories We can never hear what those Bradfordians heard and we can never feel what they felt but we can see what they saw through photographs **Biblical Preaching and Teaching Volume 2** D Min Dallas R Burdette,2010-02
