## **Around The World By Bicycle:**

**Around the World on a Bicycle** J. P. Wilkinson,2016-11-30 *Around the World on a Bicycle* Fred A. Birchmore,2020  
This classic once hard to find travelogue recalls one of the very first around the world bicycle treks Filled with rarely matched feats of endurance and determination *Around the World on a Bicycle* tells of a young cyclist's ever changing and maturing worldview as he ventures through forty countries on the eve of World War II It is an exuberant youthful account harking back to a time when the exploits of Richard Byrd Amelia Earhart and other adventurers stirred the popular imagination In 1935 Fred A Birchmore left the small American town of Athens Georgia to continue his college studies in Europe In his spare time Birchmore toured the continent on a one speed bike he called Bucephalus after the name of Alexander the Great's horse A born wanderer Birchmore broadened his travels to include the British Isles and even the Mediterranean After a lengthy unplanned detour in Egypt Birchmore put his studies on hold pointed Bucephalus eastward and just kept going From desert valleys to frozen peaks from palace promenades to muddy jungle trails Birchmore saw it all on his eighteen month twenty five thousand mile odyssey Some of the people he encountered had never seen a bike or for that matter an Anglo European As a good travel experience should Birchmore's trip changed his outlook on strangers Always daring outgoing and energetic he now saw an innate goodness in people In between bone breaking spills wild animal attacks and privation of all kinds Birchmore learned that he had little to fear from human encounters That he traveled through a world on the brink of global war makes this lesson even more remarkable and timeless **The United States Catalog**,1903 **The Red Bicycle** Jude Isabella,2020-04-07 Leo rides his beloved red bicycle to school soccer practice and everywhere in between He is devastated when he outgrows Big Red But when Leo learns of a bicycle donation program he perks up someone who really needs his bike can give it a new life Little does he know that Big Red will change other people's lives too Follow the bike as it travels to West Africa where it helps people in Burkina Faso bring goods to the market and serves as a makeshift ambulance proving that an ordinary bicycle can be truly extraordinary **Year Book** Illinois Farmers' Institute. Department of Household Science,1923 **This Breathtaking World: Around the World by Bicycle 1997 - 1999** Tim Doherty,2009-11-21 In the summer of 1997 Tim Doherty set off alone on a daunting round the world cycle tour which turned out to be even more awe inspiring than he could have hoped For this book he has taken the most fascinating and humorous experiences from his diaries and woven them together into a collection of true short stories With many beautiful photographs sketches and maps *This Breathtaking World* is a vivid and very personal account of life on the road The title has a double meaning as the author is a chronic asthma sufferer Tim encountered many problems but the varied cultures and fantastic scenery along the way were his daily rewards What remains with him most however is his impression of the people in each of the countries he cycled across their remarkable generosity and hospitality Tim completed his tour successfully finishing up in his home town of Sheffield England more than two years after he'd cycled off from there having

pedalled a total of 21 688 miles *Year Book* Illinois Farmers' Institute. Dept. of Household Science,1923 **TBG 2021**
