Radio Writing

Is there an important event taking place in your school that the students and teachers should know about? A school fair, field day, or play?

Write a radio commercial to advertise the event. The script should include all the important details: date, time, place, etc. You may have speaking parts for a skit involving one or more actors. They do not have to memorize their parts. They can read from the script since only their voices are heard.

You can use background music and sound effects if you wish. Try to make the announcement as lively and interesting as possible.

You may test record your commercial. Or you may write to perform it live over the school's public address system.
