Instructors Resource Kit To Accompany Psychology An Intro:

Introducing Psychology Daniel L. Schacter, Daniel T. Gilbert, Daniel M. Wegner, 2009-12-25 Reads like a good book Written in the style of their award winning nonfiction books the Dans capture students attention in a way few textbooks can claim Each chapter each page is written with narrative hooks that retain student interest by engaging their curiosity compassion and interest in the world around them Students who read *Introducing Psychology* will quickly learn to critically examine the world around them and apply the lessons of psychology to their own lives Teaches like a great textbook The Dans focus the essential topics within psychology without diluting the explanation or removing examples intended to illustrate concepts By refining their coverage to the most clear thought provoking and illustrative examples the Dans manage to accomplish two difficult goals making thoughtful content choices covering the various fields of psychology and doing so in a manner that retains clarity and emphasizes student engagement [Psychology](#) Peter O. Gray, 2010-01-04 An introductory text that explores psychology s major theories and the evidence that supports and refutes them This title incorporates research helping students to probe for the purposes and biological origins of behaviour the whys and hows of human psychology **Catalog of Copyright Entries.
