Chapter 14 Teaching for Diversity This is an excellent chapter that certification students and other graduate students can use
to understand more about the types of diversity categories that are present in instructional settings This textbook is excellent
for students Lavernia F Hutchison University of Houston Central Campus There are many strengths in this text I particularly
like the way it is laid out I believe that helping the students to see the importance of content literacy from the very beginning
is extremely important Immediately following this topic the students then move directly into diversity which includes the
understanding the meaning of language and culture Both of these topics form the basis for the rest of the course Overall I
believe that this book is an excellent text for teaching in the Content Area Randy M Wood Baylor University The strengths of
this text include the authors in depth knowledge of the field of content area reading Their chapter on assessing textbooks is
invaluable for secondary teachers who don't understand the difficulty of some textbooks and the problems these texts can

cause students The chapter on multiculturalism and the ESL learner is a strength The chapter on vocabulary is outstanding Patricia J Pollifrone Gannon University Please visit the book specific website at <http://www.ablongman.com/alvermann4e> to learn more *Classroom Assessment* James H.
