### IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Dealers and their service personnel. It has been assumed that these service procedures interest to the industry, and most specifically YAMAHA Products, are already known and understood by the users, and have therefore not been included.

**WARNING:** Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that all service required should be performed by an authorized YAMAHA Dealer or the approved service representative.

**IMPORTANT:** The presentation or sale of this manual to any individual or firm does not constitute authorization, consideration or recognition of any applicable technical capabilities, or establish a principal-agent relationship of any form.

The data provided is believed to be accurate and applicable to the model indicated on the cover. The research, engineering, and service departments of YAMAHA are continuously working to improve YAMAHA products. Modifications are, therefore, serviceable and specifications are subject to change without notice or obligation to users. Should any discrepancy appear in this, please contact the distributor's Service Division.

**WARNING:** Static discharge can destroy expensive components. Discharge any static electricity your body may have accumulated by grounding yourself to the ground lead in the unit. Heavy static pins may connect to the lead.

**IMPORTANT:** Turn the unit OFF during disassembly and parts replacement. Recheck all work before you apply power to the unit.
