Department of the Army. Office of Military History, 1972 **Blackhorse Tales** Don Snedeker, 2021-08-16 The war stories and combat narratives of the 11th Armored Cavalry Regiment during five and a half years of combat in Vietnam When the U S Army went to war in South Vietnam in 1965 the general consensus was that counterinsurgency was an infantryman s war if there were any role at all for armored forces it would be strictly to support the infantry However from the time the 11th Armored Cavalry Regiment arrived in the country in September 1966 troopers of the Blackhorse Regiment demonstrated the fallacy of this assumption By the time of Tet 68 the Army s leadership began to understand that the Regiment s mobility firepower flexibility and leadership made a difference on the battlefield well beyond its numbers Over the course of the 11th Cavalry s five and a half years in combat in South Vietnam and Cambodia over 25 000 young men served in the Regiment Their stories and those of their families represent the Vietnam generation in graphic sometimes humorous often heart wrenching detail Collected by the author through hundreds of in person telephone and electronic interviews over a period of twenty five plus years these war stories provide context for the companion volume *The Blackhorse in Vietnam* Amongst the stories of the Blackhorse troopers and their families are the tales of the wide variety of animals they encountered during their time in combat as well as the variable landscape from jungle to rice paddies and weather *Blackhorse Tales* concludes with a look at how the troopers dealt with their combat experiences since returning from Vietnam Without question Donald Snedeker has paid a fitting tribute to this superb unit its soldiers and their families *Military Review* **The Blackhorse in Vietnam** Donald Snedeker, 2020-04-14 This military history chronicles the combat operations of the Blackhorse Regiment which paved the way for armored cavalry tactics in the Vietnam War South Vietnam September 1966 When the 11th Armored Cavalry Regiment came ashore at Vung Tau it faced a number of challenges In

addition to the threat of the Viet Cong and the North Vietnamese Army the terrain and weather posed their own dangers adversely affecting the use of bulletproof vehicles and helicopters The dearth of doctrine and tactics for the employment of armored cavalry in a counterinsurgency was equally challenging especially during pre deployment training and initial combat operations But despite all this the leaders of Blackhorse Regiment found a way to accomplish their mission Within a year of their arrival in Vietnam Blackhorse troopers overcame ambushes that featured anti tank weapons numerous landmines and coordinated assaults They not only defeated an enemy division twice their size but also demonstrated how to succeed while operating on and off the roads in the jungle and during both the wet and dry seasons By the spring of 1967 army leaders were beginning to realize the value of troops stationed in Vietnam And with the Blackhorse Regiment leading the way armor came to be considered an essential part of the combat team Written by a Blackhorse veteran this regiment history features firsthand accounts from soldiers who served in Vietnam and Cambodia AK646 - AMERICAN ARMOR IN VIETNAM ,
