Army Life Darryl Jefferson, 2021-08-31 Darryl Jefferson grew up with the sole ambition of becoming a US Army soldier Despite many people advising against it he ultimately fulfilled his goal and enlisted in the Army while the wars in Iraq and Afghanistan were raging He soon discovered that this experience was much different than he had anticipated but in the process he would learn and discover much about

himself the real world and the human condition This is his story [Army Life in a Black Regiment](#) Thomas Wentworth Higginson,2012-06-08 DIVUnion officer s lively detailed wartime diary captures the raw humor that develops among the men in combat and paints unforgettable pictures of soldiers routines of camp life and southern landscapes div [Military Review](#) ,1969 *Department of Defense Appropriations for 1997* United States. Marshall,2009-09-01 In 1884 when Albert O Marshall published *Army Life* a memoir of his service as a private in the Thirty Third Illinois Regiment twenty years had passed since his 1864 discharge Marshall left the journal untouched at publication and today it is a journal that is rare in what it is not This memoir is not a complete story of the Thirty Third known as the Normal Regiment because many of its soldiers were from Illinois State Normal University nor is it a complete roster of regiment members nor a list of killed and wounded *Army Life* is not even a purely military account written from an officer s point of view It is the story of a twenty year old private whose engaging writing belies his age but also allows his youth to shine through Marshall tells of the battles he fought and the games he played of his friends fellow soldiers and officers and of the regiment s activities in Missouri and Arkansas at Vicksburg and in Louisiana and on the Texas Gulf Coast Enhanced with careful editing and thorough annotations this journal Marshall carried faithfully to every mustering out is a rich and important Civil War memoir **Army Life in a Black Regiment** Thomas Wentworth Higginson,2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage [The Military Surgeon](#) ,1913 [Hardtack and Coffee](#) John Davis Billings,1889 **Life Association News** ,1918 **Catalogue of the Illinois state library. EGERTON,2025-01-07 Colonel Higginson was a man on fire read one obituary He had convictions and lived up to them in the fullest degree The obituary added that he had led the first negro regiment contributed to the literature of America and left an imprint upon history too deep to be obliterated Thomas Wentworth Higginson would have been pleased to have been referred to as colonel He was proud of his military service and happily used the title for many decades after the end of the Civil War and up to his death in May 1911 at the age of eighty seven Nonetheless his time in the army was just one of many things for which he hoped to be remembered I never shall have a biographer I suppose he mused to his diary in 1881 Just in case somebody took up the challenge however he wished to provide a hint about his career If I do find a chronicler he wrote the key to my life is easily to be found in this that what I longed for from childhood was not to be eminent in this or that way but to lead a whole life develop all my powers do well in whatever came in my way to do It was a life marked by numerous struggles for social justice and progressive causes from abolitionism to women s rights from religious tolerance to socialism and from physical fitness for both genders to temperance Yet almost alone among his contemporaries and reform minded friends Higginson refused to devote himself to

a single crusade Even as a young man he warned his mother that his greatest intellectual difficulty has been having too many irons in the fire Some of his colleagues disapproved of this having dedicated all their efforts to ending slavery or advancing women s social and political rights Then there were disputes about tactics Some relied on the pen or the spoken word to garner support for their chosen cause Abolitionists who followed the lead of Boston publisher William Lloyd Garrison for example typically declined to vote and believed that moral suasion and Christian pacifism would bring about an end to slavery Frederick Douglass argued that violent means might be necessary to liberate four million enslaved Americans of which he had once been one John Brown went farther still and urged his supporters to take the fight into the contested territories of the Midwest or even the South which the government of Abraham Lincoln effectively did in late 1862 when the War Department authorized a regiment of contraband soldiers on the Carolina coast At one point or another Higginson embraced all of these causes and employed all of these tactics to advance them using the written page his eloquent voice his Sharps rifle and on one occasion even a makeshift battering ram **The Military Engineer** ,1927 Directory of members constitution and by laws of the Society of American Military Engineers 1935 inserted in v 27 *Supplement No.2 to the Alphabetical Finding List of the Free Public Library of Jersey City, N.J.
