Arnhem Frank Steer,2003 This guide focuses on the fighting at the bridge in Arnhem itself and the approaches to it It is designed to offer as necessary background information an overview of why the battle took place and an outline of the main events That done it then sets out to guide the visitor on a tour of the particular action at the Arnhem Bridge and the battles in Arnhem covering some of the key sights and occurrences Preface

[The Devil's Birthday](#) Geoffrey Powell,2009-04-03 A WWII veteran combines firsthand immediacy with perceptive analysis in this vividly detailed history of the Battle of Arnhem The Allied effort to liberate the Netherlands faced a brutal setback at the Battle of Arnhem where the men of the 1st British Airborne Division showed unsurpassed valor in the face of overwhelming opposition The dramatic defeat immortalized in the famous film *A Bridge Too Far* is recounted here by Major Geoffrey Powell who commanded C Company of the 156th Battalion and who valorously led the entire battalion through and out of the onslaught In *The Devil's Birthday* Powell draws on his own experience of the fighting while offering a deeply researched assessment of the operation and its execution Casualties during the battle were

appalling The brave and enduring Dutch people suffered catastrophically while German morale was strengthened at a time of otherwise ebbing fortunes But the hard lessons of Arnhem will not be forgotten **The Devil's Bridge** Anthony

Tucker-Jones,2020-06-25 This fascinating title offers a new look at Operation Market Garden and the Arnhem campaign from the perspective of the German forces who defended against the Allies In the late summer of 1944 SS Obergruppenführer Wilhelm Willi Bittrich found himself in the Netherlands surveying his II SS Panzer Corps which was in a poor state having narrowly escaped the defeat in Normandy He was completely unaware that his command lay directly in the path of a major Allied thrust the 17 September 1944 launch of the largest airborne and glider operation in the history of warfare Codenamed Operation Market Garden it was intended to outflank the German West Wall and bounce the Rhine at Arnhem from where the Allies could strike into the Ruhr Nazi Germany's industrial heartland Such a move could have ended the war However Market Garden and the battle for Arnhem were a disaster for the Allies Put together in little over a week and lacking in flexibility the operation became an all or nothing race against time The plan to link the airborne divisions by pushing an armoured division up a sixty five mile corridor was optimistic at best and the British drop zones were not only too far from Arnhem Bridge but also directly above two recuperating SS Panzer divisions The Devil's Bridge explores the operation from the perspective of the Germans as renowned historian Anthony Tucker Jones examines how they were able to mobilise so swiftly and effectively in spite of depleted troops and limited intelligence *A Bridge Too Far*,1974 **A Bridge Too Far** Cornelius

Ryan,2010-02-16 The classic account of one of the most dramatic battles of World War II A Bridge Too Far is Cornelius Ryan's masterly chronicle of the Battle of Arnhem which marshalled the greatest armada of troop carrying aircraft ever assembled and cost the Allies nearly twice as many casualties as D Day In this compelling work of history Ryan narrates the Allied effort to end the war in Europe in 1944 by dropping the combined airborne forces of the American and British armies behind German lines to capture the crucial bridge across the Rhine at Arnhem Focusing on a vast cast of characters from Dutch civilians to British and American strategists to common soldiers and commanders Ryan brings to life one of the most daring and ill fated operations of the war A Bridge Too Far superbly recreates the terror and suspense the heroism and tragedy of this epic operation which ended in bitter defeat for the Allies *A Bridge at Arnhem* Charles Whiting,2007-01-01 Operation

Market Garden a massive airborne strike designed to open a corridor through Nazi held Holland by pass the Siegfried Line and crush the 1 000 Year Reich before Christmas Despite the gallantry of the elite First British Airborne Division the Red Devils who were to seize the key bridge across the Lower Rhine at Arnhem the Operation ended in a resounding victory for the Germans This is the story of this epic battle the commanders who planned it and the units who paid for their mistakes

Arnhem Robert Jackson,2003 On September 17th 1944 three Allied airborne divisions two American one British totaling 30 000 men landed at Eindhoven Nijmegen and Arnhem in Holland Their task was to lay an airborne carpet across Holland to the Rhine seizing vital bridges and opening up a route for an advance into northern Germany by the British Second Army

This book covers all aspects of that massive operation which was code named Market Garden and deals with the German side as well as the British and American Above all it tells of the epic and heroic stand of the British 1st Airborne Division at Arnhem where the paratroops fought against increasingly hopeless odds for nine days They were supposed to have held on for only two until the ground offensive reached them It never did **A Bridge Too Far?** Martin W. Bowman,2013-09-24 This final entry in a series on the Allied Operation Market Garden examines the final days of the Battle of Arnhem with eyewitness accounts This the fourth and final volume of the series on Market Garden in September 1944 reveals the final fate of the troops at Oosterbeek and the decision to evacuate all able bodied men in Operation Berlin as well as the subsequent Operation Pegasus when the Allies tried to return as many beleaguered troops back to Allied lines as possible Was Arnhem indeed a bridge Too Far While Market Garden certainly was a heroic failure conducted at great cost it is debatable whether it contributed materially to the ultimate victory or was a foolish sacrifice of thousands of troops aircrew and Dutch civilians in an ill conceived assault on the German held bridges across the Lower Rhine There is no doubting the gritty gallant and valorous contribution on the part of the British Dominion American and Polish paratroopers the RAF and USAAF aircrews and their German opponents and Dutch civilians Their incredible illuminating and often understated accounts of extraordinary courage camaraderie shared terror and encounters with the enemy offer a more personalized view of Market Garden through the words of those who were there at the heart of the action These tales are complemented by the author's background information supplemented by the inclusion of daily timelines that give an overall picture of each battle and air operation **Atlas of the European Campaign** Steven J. Zaloga,2018-05-31 Featuring scores of painstakingly researched and intricately detailed maps this stunning luxuriously bound book displays and explains the campaigns on the most famous theatre of war in history the European Theatre of World War II In June 1944 the Allies opened the long awaited second front against Nazi Germany on the beaches of Normandy and this was to be the start of a long struggle throughout Western Europe for the Allied forces in the face of stiff German resistance The European Theatre was where the bulk of the Allied forces were committed in the struggle against Nazi Germany It saw some of the most famous battles and operations of the war Normandy Market Garden the Battle of the Bulge as the Allies sought to liberate Western Europe in the face of bitter and hard fought German resistance From the beaches of D Day through to the final battles in war ravaged Germany the war across the breadth and depth of Western Europe is brought to life through scores of carefully researched and intricately detailed maps *The Bridge. World War II A Bridge Too Far is Cornelius Ryan's masterly chronicle of the Battle of Arnhem which marshalled the greatest armada of troop-carrying aircraft ever assembled and cost the Allies nearly twice as many casualties as D Day. In this compelling work of history, Ryan narrates the Allied effort to end the war in Europe in 1944 by dropping the combined airborne forces of the American and British armies behind German lines to capture the crucial bridge across the Rhine at Arnhem. Focusing on a vast cast of characters from Dutch civilians to British and American strategists to common soldiers and commanders, Ryan brings to life one of the most daring and ill-fated operations of the war. A Bridge Too Far superbly recreates the terror and suspense, the heroism and tragedy of this epic operation which ended in bitter defeat for the Allies.

Second Front Marc Milner, 2025-05-13 A revelatory new account of the Second World War and how bitter competition between the Allies would shape the postwar world. In June 1944, an Allied army of British, American, and Canadian troops sought to open up a Second Front in Normandy. But they were not only fighting to bring the Second World War to an end. After decades of Anglo-American struggle for dominance, they were also contending with one another to determine who would ascend to global hegemony once Hitler's armies fell. Marc Milner traces this bitter rivalry as it emerged after the First World War and evolved during the fragile peace, which led to the Second American media and domestic politics dominated the Allied powers' military strategy, overshadowing the contributions of Britain and the remarkably critical role played by Canada in establishing this Second Front. Culminating in the decisive Normandy campaign, Milner shows how the struggle for supremacy between Churchill and Roosevelt changed the course of the Second World War and how their rivalry shaped our understanding of the Normandy campaign and the war itself.

A Bridge at Arnhem: The Towering Story of the Greatest Airborne Operation in World War II Charles Whiting, 2023-05-19 A blow-by-blow account of the epic Battle of Arnhem, the commanders who planned it, and the units who paid for their mistakes. Perfect for James Holland, Anthony Beevor, and Cornelius Ryan. An operation which will inspire our youth with the highest ideals of duty and of daring. Winston Churchill: The British First Airborne Division not only gave to all the Allied forces one of the most gallant examples of courage in all the war, but by drawing upon themselves the bulk of the German counter-attack, they enabled us to hold the important bridges. General Dwight D. Eisenhower: In years to come, it will be a great thing for a man to be able to say, "I fought at Arnhem." Field Marshal Montgomery: We have no regrets. General R. Urquhart: Commander, First Airborne Division. Operation Market Garden was designed to open a corridor through Nazi-held Holland, bypass the Siegfried Line, and crush the 1,000-Year Reich before Christmas. Yet despite the courage of the elite First British Airborne Division, who were ordered to capture the key bridge across the Lower Rhine at Arnhem, the battle developed into an unmitigated disaster. Utilising a wide array of eyewitness accounts from both the Allied and Axis sides, Charles Whiting uncovers the course of this battle from its planning stages through to its tragic denouement. A Bridge at Arnhem is the towering story of the greatest airborne operation in history; it should be essential reading for all interested in this fateful battle.
