Around The World With Isis:

Hammer of the Caliphate Dave Dilegge, 2018-04-09 Part of the Small Wars Journal SWJ Anthology Hammer of the Caliphate is a continuation of previous works on the Islamic State Al Qaeda and their affiliate groups The anthology title is a play on words related to the fifteenth century treatise Malleus Maleficarum Hammer of the Witches Given the Islamic State's predisposition for engaging in heinous acts and barbaric atrocities in the name of their apocalyptic god one derived from a perverted version of what mainstream Islam is today declaring IS anathema to our modern world seems only fitting The work represents the fifth volume in the SWJ series of radical Islamist focused anthologies **Living according to Nature.**

Volume One: Myths, Insights, and Perspectives, 2025-02-27 This edited collection is the first of two volumes offering critical philosophical and interdisciplinary perspectives on contemporary and historic accounts of living in accordance with the broad natural world as at the center of a good and wise life It also explores the meaning and idea of nature in these different perspectives as it relates to and is distinguished from cultural life It builds on the work of Pierre Hadot and others on the connection that philosophers mystics scholars and others ancient and modern have seen between nature as articulated in physics metaphysics ontologies ecologies biologies and evolutionary theories and forms of self communal cultivation

Political Islam at the Crossroads Ayfer Erdogan, Shaimaa Magued, 2025-07-24 An comparative analysis of Islamist groups ideological positioning toward nation state secularism and democracy across different countries in the MENA region

1000 Peacewomen Across the Globe Association 1000 Women for the Nobel Peace Prize 2005, 2005 The book introduces the 1000 women who were carefully chosen to represent the millions doing similar work around the world Each one is presented on a double page with a short biography and most of the women with a portrait photograph Both images and texts were compiled by local journalists and authors as well as by academics and members of organizations The biographies give insight into the life and work of each of the 1000 women They also reflect the cultural differences involved in evaluating personal data and build a colorful patchwork of different styles and types of biographies **Homeland**
