Taussig,2009 Edited by Laurence Kardish Text by Laurence Kardish Kelly Sidley Michael T Taussig **Pierre Bonnard** Pierre Bonnard,Nicole R. Myers,Allison Stielau,Metropolitan Museum of Art (New York, N.Y.),2009 The vibrant late paintings of Pierre Bonnard 1867 1947 are considered by many to be among his finest achievements Working in a small converted bedroom of his villa in the south of France Bonnard suffused his late canvases with radiant Mediterranean light and dazzling color Although his subjects were close at hand usually everyday scenes taken from his immediate surroundings such as the dining room table being set for breakfast or a jug of flowers perched on the mantelpiece Bonnard rarely painted from life Instead he preferred to make pencil sketches in small diaries and then rely on these along with his memory once in the studio This volume which accompanies the first exhibition to focus on the interior and related still life imagery from the last decades of Bonnard s long career presents more than seventy five paintings drawings and works on paper many of them rarely seen in public and in some cases little known Although Bonnard s legacy may be removed from the succession of trends that today we consider the foundation of modernism his contribution to French art in the early decades of the twentieth century is far more profound than history has generally acknowledged In

their insightful essays and catalogue entries the authors bring fresh critical perspectives to the ongoing reappraisal of Bonnard's reputation and to his place within the narrative of twentieth century art Jacket *Billy Apple®: Life/Work* Christina Barton, 2020-11-12 Billy Apple born Barrie Bates in Auckland 1935 is New Zealand's most internationally significant living artist and a pioneer of pop and conceptual art At the Royal College of Art in London from 1959-62 Apple studied with key contemporaries notably David Hockney and staged one of the earliest solo exhibitions in the new pop art after changing his name in 1962 to Billy Apple In 1964 he moved to New York There he worked as an art director developed his art exhibited extensively with leading artists notably in the 1964 American Supermarket exhibition with Andy Warhol Jasper Johns and others and established one of the first alternative art spaces Apple which hosted some of the new ephemeral activities that enlivened the New York scene in the 1970s He returned to live in New Zealand in 1990 where he continues to produce his particular brand of conceptual art Apple's work is held in permanent collections from the Tate to the Philadelphia Museum of Art This is the first substantial book on Billy Apple's career Based on over a decade of research all over the world and unprecedented access to Apple's own archive *Billy Apple Life Work* chronicles an extraordinary sixty year career and the art scenes that have sustained it in London New York and Auckland The book includes more than 200 illustrations in colour with a generous selection of reproductions of Apple's works as well as other illustrative material *Art & Idea* Robert Punkenhofer, 2007 ART IDEA was founded by Robert Punkenhofer in 1995 as a not for profit institution devoted to promoting and facilitating a cultural dialogue by organizing contemporary arts programs of international scope Art idea com **Printmaking Today**, 2003 **Florida History & the Arts**, 2003 A magazine of Florida's heritage **Wade Guyton OS** Scott Rothkopf, 2012-11-06 This catalogue was produced on the occasion of the exhibition Wade Guyton at the Whitney Museum of American Art New York October 4 2012 February 2013 [Art in America](#), 2002 **Frieze**, 2004 **Artforum International**, 2003 *Andy Coolquitt* Rachel Hooper, Dan Fox, 2012-09-26 Covering Coolquitt's full range of work over the past twenty five years this is the first comprehensive monograph on an artist who is receiving national and international acclaim for using scavenged objects to create artwork that facilitates conversation and community
