

Past Perfect tense (active to passive voice)

Active voice

The police had arrested him.

Passive voice

He had been arrested by the police.

Note that we, generally, don't add the doer of the action to the sentence as it is not important to the meaning of the sentence or is already understood. But it's completely your choice to do so.

- He had not invited me for the party.
- Where had she invested the money?
