The Last of the Cockleshell Heroes Bill Sparks, Michael Munn, 2013-10-21 This is not just the story of what was perhaps the most daring raid undertaken by the commandos during the war but it is also the true and remarkable account of a desperate escape by Marine Sparks and Major Blondie Hasler across German occupied France For nearly three months while they desperately sought assistance from the suspicious French Resistance and dodged German soldiers at every turn Sparks and Hasler found themselves avoiding capture and certain death **Never Leave a Man Behind** Mick Dawson, 2020-06-25 Mick Dawson s gripping *Never Leave A Man Behind* effectively two adventure stories for the price of one can be justifiably described as unputdownable Dawson is a man you would want on your side whether in battle or tackling waves as high as houses should you ever consider rowing the Pacific Sports Book of the Month An excellent read it puts you in the boat understanding what it s like to be in an extremely challenging environment while maintaining composure cheerfulness and respect for your fellow men I cannot recommend it highly enough Keith M Breslauer Trustee of The Royal Marines Charity Breathtaking builds tension from the very start with life and death challenges throughout Courage and comradeship at their very best showing how mental and physical disabilities cannot and are not allowed to define or undermine the human self Leaves you in awe and respect for one man determined to help his muckers win their battles whatever it takes at great personal cost Jonathan Ball Director The Royal Marines Charity The stories of two veterans one traumatised one blind who rediscover themselves with the help of a friend in the course of two epic ocean adventures kayaking around the Falklands

and rowing across the Pacific Mick Dawson tells the story of kayaking around the Falkland Islands with friend and fellow Royal Marines veteran Steve Grenham who was struggling to cope with the effects of Post Traumatic Stress Disorder PTSD and the extraordinary tale of his 2 500 mile voyage in a rowing boat with his friend and former Royal Marine Commando Steve Sparky Sparkes who was not only a rowing novice but also blind Sparky and Mick succeeded in rowing across the finish line after a truly epic voyage of over 2 500 miles from Monterey Bay in California to Waikiki Hawaii They d hoped to break the record for a two man rowboat and finish in less than fifty five days but a hurricane interfered with their plans It took them eighty two days sixteen hours and fifty four minutes to complete the race but it was an even greater achievement for that and Sparky became the first visually impaired person to row across the Pacific The race with Sparky was the second expedition of an organisation Mick had set up a few years earlier The Cockleshell Endeavour designed to help another former Royal Marine and friend Steve Grenham by kayaking with him around the Falklands where both former commandos served during the 1982 conflict with Argentina *Cockleshell Heroes* Lucas C.E.
