Cold Angel Of Mercy:

Cold Angel of Mercy Amy Randolph, 2002 Delicate detailed and firm all at once Amy Randolph's poems in *Cold Angel of Mercy* are anything but cold They are loving celebrations of what it means to live on this side of heaven She is an exquisite poet Liz Rosenberg In an age of poems all too easily written and all too frequently published Amy Randolph's poems are those rarest of things works of art filled with tact restraint and deep human feeling seasoned by experience and years Filled with grief and unfolding yet open to all that arrives lonely in its unexpectedness her poems are as vigilant as the regrets she herself observes as heartfelt as that yearning for God she so movingly inhabits and describes Here is a poet who knows all too well that you don't have to go far to be damaged but who also knows the distance one does have to go and the attention that needs to be paid the love given to be redeemed Michael Blumenthal **The Temperance Worker and Reciter**, 1882

House of Angels Freda Lightfoot, 2011-03-07 The Lake District 1908 It seems as though Livia Ella and Maggie Angel lead a charmed life on a large country estate But since the death of their mother their family home has been far from a quiet haven as their bullying father is determined to marry off the girls to his greatest advantage When the sisters discover their father had an affair many years ago which resulted in the birth of a baby girl they determine to find their half sister and their search begins in the local workhouse Mercy had been unaware of her connection to the rich Angel family until her mother's death bed confession and once she knows she's not at all sure that she wants to be part of the family after all

Embracing the Beat of Phrase: An Psychological Symphony within **Cold Angel Of Mercy**

In a world eaten by monitors and the ceaseless chatter of fast connection, the melodic splendor and emotional symphony developed by the prepared word often fade in to the backdrop, eclipsed by the constant sound and disruptions that permeate our lives. But, nestled within the pages of **Cold Angel Of Mercy** an enchanting literary value overflowing with natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, that fascinating masterpiece conducts visitors on a mental trip, skillfully unraveling the hidden melodies and profound impact resonating within each cautiously constructed phrase. Within the depths of the poignant examination, we shall discover the book is central harmonies, analyze its enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
