Kahani Unplugged Srashti Behure, Shaurya Sharma, Geetmalini Sahu, Plato has rightly said Music is a moral law It gives soul to the universe wings to the mind flight to the imagination and charm and gaiety to life and to everything Music has been a part of our lives ever since we entered this world In the morning we wake up to the birds chirping and the leaves rustling it's much like music to our ears Music is everywhere and all we have to do is open up our senses to it Ever wondered what makes music so special Music is more or less an integral part of everyone's life We hear music all the time While going to school while having coffee while sweating it out in the gym and sometimes for a sound sleep Even long journeys are quite bearable with music People tend to listen to music that fits their emotions and purges them Unplugged is a wonderful collection of musical soul stirring write ups Writers have put their heart and soul while expressing their views on songs that are close to their heart Because some songs are not just songs they are memories Compiled by Srashti Behure Shaurya Sharma and Geetmalini Sahu Unplugged is a collection of write ups filled with emotions It is sure to imbibe within you an exotic mellifluous feel This book is a must read for all music lovers

[The Power of Purpose](#) Richard Wright, 2020-07-06 The only thing in life that you have 100 per cent control over are the thoughts in your head When your thoughts are centred around the very essence of your purpose and the meaning of your life you unleash immeasurable power In 2016 Richard Wright was confronted with a diagnosis of rare pituitary cancer a disease about which little is known other than that it is almost

invariably terminal In attempting to deal with this bleak knowledge Richard defined what mattered most in his life his true purpose which was ensuring that his two young daughters would not have to grow up without their dad Understanding his life purpose he focused on overcoming the seemingly insurmountable challenges and obstacles that faced him using the sheer power of his mind Ongoing research into what the human mind is capable of and sheer grit and determination enabled him to complete four full Ironman races while undergoing harsh cancer treatment with his daughters cheering him on It wasn't easy and he had to dig deep to overcome setbacks and disappointments but he never gave up Instead he found the strength and the freedom to speak his truth and to become the most authentic version of himself possible Richard's story told with raw honesty humility and humour provides proof that discomfort sparks outrageous achievement especially when linked to our sense of purpose It is a profound story of passion and endurance but above all it is a story that will resonate deeply for every one of us whatever our life circumstances revealing learnings that challenge us to think differently about our purpose in life The Power of Purpose is an unforgettable account of one man's indomitable will to overcome crippling adversity Its power will remain with you long after you have turned the last page What Richard has done with The Power of Purpose is nothing short of a gift A modern day Man's Search for Meaning BRONWYN WILLIAMS Futurist Trend Analyst Economist Utterly remarkable Richard has a way of illuminating the darkness beyond possibility like nobody I've ever met MIKE STOPFORTH Director of Beyond Binary Entrepreneur Speaker **Collide** Shelly Crane,2012-03-20 Sherry has always known there was something out there She's eighteen works for a tabloid newspaper in Chicago and has a brother Danny who is a lazy mooch They live a pretty normal dull life with hippie parents and a normal existence Then the moon disappears and people start to go missing only to reappear later but different She has an abusive ex boyfriend who shows up and claims to be one of these beings that has been showing up around the world He's no longer the same person in that body He tells her he has come to protect her and her brother and takes her underground against her will to save her where they meet others like them She begins to unravel the truth about Merrick about what he's really doing there about the way he looks at her about the crazy dangerous world they live in Can he convince her that he's there to help Will she like what she finds when she opens up to the truth Will he be the one to love her when everyone else has failed Will he be able to protect her **Dancing to happiness** Marisa Santi,2017-04-25 Dancing to Happiness by Marisa Santi a novel of love First chapter of a trilogy Under the sky of Turin Isabel lives a girl with a great dream in her hands ready to debut on the stage of life She is a whirlwind of emotions resolute brave and with an innate will to always get in the game The sudden arrival of Matthias disturbs her dedication The mystery behind the boy becomes an obsessive thought which makes her vulnerable and makes her feel that something is missing in her life Matthias is resolute to turn his back on the past which is an obstacle for the present and for the future He can not indulge in distractions but Isabel is a strong temptation Since he moved to Turin seeing Isabel dance has been the most wonderful thing he has ever seen in his entire life Soon their interest turns into a deeper sentiment but

 Eduardo A. Velásquez,2007 What accounts for the apocalyptic angst that is now so clearly present among Americans who do
 not subscribe to any religious orthodoxy Why do so many popular television shows films and music nourish themselves on
 this very angst And why do so many artists from Coldplay to Tori Amos to Tom Wolfe feel compelled to give it expression It is
 tempting to say that America's fears and anxieties are understandable in the light of 9 11 the ongoing War on Terror nuclear
 proliferation and the seemingly limitless capacity of science to continually challenge our conceptions of the universe and
