San Francisco, California

Before you, I never truly believed in a "best man/best" I know more than when we have triumphed and in a much deeper and conviction. In you I found a person to life, a lover, a friend, a safe place, someone I can be my ugliest and most vulnerable with. In you I found someone who supports me, who inspires me, who supports and honors me. Thank you for never making me feel like I'm too much and for looking at me with loving eyes even when we all know I'm being extra. Thank you for embracing all the parts that make me, me. More importantly thank you for being a devoted family man, I could not have picked a better man for our kids to look up to. It was never just me, it was always the boys and me. Thank you for not giving away from the challenges of fatherhood, for loving our sons and helping me raise them. Thank you for going "hell on a helix" with me and being the man who is making the "hot high" for the love the others in family our day. You are such a genuine dad and I could not be more grateful.

*John*

Through the years we have faced obstacles, some harder than others, that have helped us build the strong foundation of our relationship. It has shown me your unwavering love, constant support, and belief in me. Thank you for being my best, my best, my best family, as much as I do. I promise to encourage you to follow your dreams. I promise to continue to challenge you to be the best version of yourself. I promise to make you laugh, when you're taking life too seriously. I promise to love you unconditionally. I promise to give you love and never let our spark. I promise to never stop singing my own made-up songs, although I know you wish I would. Our journey as a family has only just begun and I can't wait to see what the future holds for us. Because you are the person I choose to spend forever with, as my true partner. I chose you to love, I choose you today, and I will continue choosing you forever. I love you.

*Mia*
