Daddy Grace Marie W. Dallam,2009-04 Charles Manuel Sweet *Daddy Grace* founded the United House of Prayer for All People in Wareham Massachusetts in 1919 This charismatic church has been regarded as one of the most extreme Pentecostal sects in the country In addition to attention getting maneuvers such as wearing purple suits with glitzy jewelry purchasing high profile real estate and conducting baptisms in city streets with a fire hose the flamboyant Grace reputedly accepted massive donations from his poverty stricken followers and used the money to live lavishly It was assumed by many that Grace was the charismatic glue that held his church together and that once he was gone the institution would disintegrate Instead following his 1960 death there was a period of confusion restructuring and streamlining Today the House of Prayer remains an active church with a national membership in the tens of thousands *Daddy Grace A Celebrity Preacher and His House of Prayer* seriously examines the religious nature of the House of Prayer the dimensions of Grace s leadership strategies and the connections between his often ostentatious acts and the intentional infrastructure of the House of Prayer Furthermore woven through the text are analyses of the race class and gender issues manifest in the House of Prayer structure under Grace s aegis Marie W Dallam here offers both a religious history of the House of Prayer as an institution and an intellectual history of its colorful and enigmatic leader **African American Lives** Henry Louis Gates Jr.,Evelyn Brooks Higginbotham,2004-04-29 *African American Lives* offers up to date authoritative biographies of some 600 noteworthy African Americans These 1 000 3 000 word biographies selected from over five thousand entries in the forthcoming eight volume *African American National Biography* illuminate African American history through the immediacy of individual experience From Esteban the earliest known African to set foot in North America in 1528 right up to the continuing careers of Venus and Serena Williams these stories of the renowned and the near forgotten give us a new view of American history Our past is revealed from personal perspectives that in turn inspire move entertain and even infuriate the reader Subjects include slaves and abolitionists writers politicians and business people musicians and dancers artists and athletes victims of injustice and the lawyers journalists and civil rights leaders who gave them a voice Their experiences and accomplishments combine to expose the complexity of race as an overriding issue in America s past and present *African American Lives* features frequent cross references among related entries over 300 illustrations and a general index supplemented by indexes organized by chronology occupation or area of renown and winners of particular honors such as the Spingarn Medal Nobel Prize and Pulitzer Prize *African-American Holiness Pentecostal Movement* Sherry Sherrod
