## **Daddy Machine:**

**Two Science Fiction Adventures** John Jakes, 2012-07-31 Two visions of the world gone mad from master storyteller John Jakes In *On Wheels* the United States has become so overpopulated that a tenth of its people have no home Instead they spend their lives on the highway With all of the dangers of the road dropping below forty miles per hour would mean certain death even for men like Billy Spoiler The clans of the open road spend their lives battling each other for control of the freeway and the Spoilers are no exception They never give up never pull over and never take their hand off the throttle On the colony world of *Six Gun Planet* cowboys ride robot horses In an effort to escape the corrupting influence of technology the people of this strange isolated world they call Missouri have reset the clock to 1880 building a civilization of main streets saloons and bordellos where it is always high noon Reluctant gunslinger Zak Randolph thinks the whole set up is ridiculous but he goes along with it because there s good money in playing the part of a western hero When notorious gunslinger Buffalo Yung challenges him to a duel though Zak gets serious Missouri s horses may be fake but its bullets are definitely real This ebook bundle features an illustrated biography of John Jakes including rare images from the author s personal collection

Broderick, 2013-05-07 A brutally honest and deeply affecting memoir about growing up in the countryside in rebel country in Northern Ireland Colin Broderick was born in 1968 and spent his childhood in Tyrone county in Northern Ireland It was the beginning of the period of heightened tension and violence known as the Troubles and Colin s Catholic family lived in the heart of rebel country The community was filled with Provisional IRA members whose lives depended on the silence and complicity of their neighbors At times that made for a confusing childhood We watch as he and his brothers play ball with the neighbor children over a fence for years but are never allowed to play together because it is forbidden We see him struggle to understand why young men from his community often just disappear And we feel his confusion when he is held at gunpoint at various military checkpoints in the North But even when Colin does ask his parents about these events he never receives a clear explanation Desperate to protect her children Colin s mother tries to prevent exposure to or knowledge of the harm that surrounds them Spoken with stern finality That s that became the refrain of Colin s childhood The first book to paint a detailed depiction of Northern Ireland s Troubles is presented against a personal backdrop and is told in the wry memorable voice of a man who s finally come to terms with his past **World Pass Advanced: Teacher's Edition** Susan

Stempleski, 2005-10 To help students expand their fluency World Pass focuses on dynamic vocabulary building essential grammar and stimulating listening speaking reading and writing activities that emphasize the language they need for real
