Dad's Nuke Marc Laidlaw,1985 *Half-Life Series* , **Red Star 2** Dennis Barton,2003-03-20 Welcome to the year 2112 Religion and technology have been leveraged to control the minds and lives of humankind Truth is a lie Oppression is the rule The Great CPU and His prophet have sought to do away with free will Righteous hearts beware Vice Chancellor Lifeson is dead His son David is lost in the wilderness far beyond the wire David s Uncle Robert the last living hacker is trapped within a hostile city where an artificial intelligence awakens to believe that it is the holy scion of God Inspired by the works of Rush RED STAR 2 DUTY and DESTINY continues the saga begun in RED STAR SACRED CITIES and is sure to thrill hard core Rush fans and sci fi addicts alike *My Exaggerated Life* ,2018-03-13 An oral biography that reveals the Southern author s true voice Pat Conroy s memoirs and autobiographical novels contain a great deal about his life but there is much he hasn t revealed to readers until now *My Exaggerated Life* is the product of a special collaboration between this great American author and oral biographer Katherine Clark who recorded two hundred hours of conversations with Conroy before he passed away in 2016 In the spring and summer of 2014 the two spoke for an hour or more on the phone every day No subject was off limits including aspects of his tumultuous life he had never before revealed This oral biography presents Conroy the man as if speaking in person in the colloquial voice familiar to family and friends This voice is quite different from the authorial style found in his books which are famous for their lyricism and poetic descriptions Here Conroy is blunt plainspoken and uncommonly candid While his novels are known for their tragic elements this volume is suffused with Conroy s sense of humor which he credits with saving his life on several occasions The story Conroy offers here is about surviving and overcoming the childhood abuse and trauma that marked his life He is frank about his emotional damage the depression the alcoholism the divorces and above all the crippling lack of self esteem and self confidence He also sheds light on the forces that saved his life from ruin The act of writing compelled Conroy to confront the painful truths about his past while years of therapy with a clinical psychologist helped him achieve a greater sense of self awareness and understanding As Conroy recounts his time in Atlanta Rome and San Francisco along with his many years in Beaufort South Carolina he portrays a journey full of struggles and suffering that culminated ultimately in redemption and triumph Although he gained worldwide recognition for his writing Conroy believed his greatest achievement was in successfully carving out a life filled with family and friends as well as love and happiness In the end he arrived at himself and found it was a good place to be
