

DAD'S ARMY

Dads Army 15

Alan Stephens

Dads Army 15:

Contesting home defence Penny Summerfield, Corinna Peniston-Bird, 2013-07-19 Contesting home defence is a new history of the Home Guard a novel national defence force of the Second World War composed of civilians who served as part time soldiers it questions accounts of the force and the war which have seen them as symbols of national unity It scrutinises the Home Guard s reputation and explores whether this people s army was a site of social cohesion or of dissension by assessing the competing claims made for it at the time It then examines the way it was represented during the war and has been since notably in Dad s Army and discusses the memories of men and women who served in it The book makes a significant and original contribution to debates concerning the British home front and introduces fresh ways of understanding the Second World War

Law Against Genocide David Hirsh, 2003-04-04 Based on first hand observation of international war crimes tribunals and the English courts this book examines the emergence of cosmopolitan criminal law principles and institutions that aim to protect the human rights of all individuals even when they are threatened by their own state

British Humour and the Second World War Juliette Pattinson, Linsey Robb, 2023-06-01 This book skilfully combines cutting edge historical research by leading and emerging researchers in the field to investigate the utilization of British humour during the Second World War as well as its legacy in British popular culture Juliette Pattinson and Linsey Robb bring together case studies that address a variety of situations in which humour was generated including wartime jokes films radio cartoons and private drawings as well as post war recollections museum exhibitions and television comedy By adopting an original interpretative framework of various wartime and post war sites this books opens up the possibility for a more variegated richer analysis of Britain s wartime experience and its place thereafter in the cultural imagination Through the lens of humour this book promises to add critical nuance to our understanding of the functioning of British wartime society Covering sources such as The British Cartoon Archive BBC World War II People s War Archive and The Ministry of Information and including analysis of the lasting role of comedy in Britain s memories and depictions of the war the result is a rich addition to existing literature of use to students and scholars studying the cultural history of war

Television Sitcom Brett Mills, 2005-11-17 Despite its global reach longstanding popularity and immense profitability sitcom has been repeatedly neglected in theoretical work on television and media This book demonstrates that this lack needs to be sorely addressed by dragging analysis of sitcom up to date with a wealth of contemporary examples a range of new approaches to the genre and examination of the roles sitcom and comedy play within society The book takes as its starting point the variety of ways in which sitcom has traditionally been explored A chapter on genre examines the history and development of sitcom and the institutional structures which produce it There is also analysis of differences between sitcoms produced in a range of countries and what happens when a programme gets sold abroad and remade A chapter on representation explores the debates about the ways in which sitcom chooses who to make jokes about and why and whether this matters And a chapter

on performance argues that this is a vital and underexplored aspect of sitcom s funniness and interrogates the ways in which comic actors make their performance funny With specific case studies on Will and Grace The Office and The Cosby Show as well as analysis of a broad range of contemporary and historical examples throughout this book will be of interest to students of sitcom and comedy as well as those of television and popular culture London Calling ,1989 TV Guide ,1998
