Dictionary of Idioms & Phrases Sugat Gewali,2020-06-22 The Activity of learning idioms and phrases is not as easy as learning simple day to day English words or vocabulary but it is also not as hard as it at first seems to be However the Use of Phrases in the activity of writing or speaking can not be seen as less important than other common words or expressions So it is important to have our knowledge of idioms and phrases and their correct meanings by learning them as thoroughly as any conversational English words and meaning given in the English Dictionary or by practising them as much as we can to enhance our language competence
