D. H. Lawrence Mary Freeman,1955 **D H Lawrence** Mary E. Wilkins Freeman,2012-04-01 **The Prophetic Voice of D.H. Lawrence** Carol Keeney McCollough,1960 *The Consciousness of D.H. Lawrence* Daniel J. Schneider,1986

This biography of Lawrence is unlike any other in its focus on the essential character of the artist and in its synthesis of the facts of his life and thought It is written not for specialists but for general readers who wish to deepen their understanding of the development of Lawrence s thought and feeling over the course of his lifetime The author blends intellectual biography and psychology to focus on Lawrence s religious nature as a shaping force in his life **D. H. Lawrence** Paul Poplawski,1996-06-24 D H Lawrence remains one of the most popular and studied authors of the 20th century This book is a comprehensive but easy to use reference guide to Lawrence s life works and critical reception The volume has been systematically structured to convey a coherent overall sense of Lawrence s achievement and critical reputation but it is also designed to enable the reader who may be interested in only one aspect of Lawrence s career perhaps even in only one of his novels or stories to find relevant information quickly and easily without having to read other parts of the text The book begins with an original biography by John Worthen one of the world s foremost authorities on Lawrence s life and work The chapters that follow provide separate entries for all of Lawrence s works except for individual poems and paintings with critical summaries discussions of characters and details of settings There is also a complete overview of Lawrence and film with the most complete listing available of film adaptations of his works and of criticism relating to them Each section of the book provides comprehensive primary and secondary bibliographical data including citations for the most recent scholarly studies Maps and chronologies further trace Lawrence s travels and his development over time **The Moon's Dominion** Gavriel Reisner,1981 Posits a causal relationship between two themes in Lawrence s fiction usually thought to be unrelated the dominance of women and the conflict between the tale and the teller The connection is revealed in the course of a systematic analysis of the tale teller division in Lawrence s earlier novels *The Perverse Art of D.H. Lawrence* Kingsley Widmer,1957

Sexual Politics Kate Millett,2016-02-16 A sensation upon its publication in 1970 Sexual Politics documents the subjugation of women in great literature and art Kate Millett s analysis targets four revered authors D H Lawrence Henry Miller Norman Mailer and Jean Genet and builds a damning profile of literature s patriarchal myths and their extension into psychology philosophy and politics Her eloquence and popular examples taught a generation to recognize inequities masquerading as nature and proved the value of feminist critique in all facets of life This new edition features the scholar Catharine A MacKinnon and the New Yorker correspondent Rebecca Mead on the importance of Millett s work to challenging the complacency that sidelines feminism *Domestic Disharmony and Industrialization in D.H. Lawrence's Early Fiction* Marko Modiano,1987 *The Nation* ,1922 **General Catalogue of Printed Books** British Museum. Department of Printed Books,1959 **English Fiction, 1900-1950: Individual authors, Joyce to Woolf** Thomas Jackson Rice,1979

Three criteria were used to determine who among the scores of British writers of fiction flourishing during the years 1900-1950 would be represented in this research guide. Included are 1 all generally acknowledged major novelists 2 all major men of letters who have made a significant contribution to modern fiction 3 all minor writers who have attracted a significant amount of bibliographical biographical or critical commentary and who have contributed significantly to the development of modern long and short fiction in Britain.
